Safety Instruction Guide for AR15 90 Degree Ambi Safety Selector

Introduction

Thank you for choosing the Phase 5 AR15 90 Degree Ambi Safety Selector. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the safety selector.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the safety selector.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the safety selector and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your safety selector and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- This safety selector is intended for use with AR15 and AR10 / LR308 rifles only.
- Ensure that the safety selector is properly installed before using your firearm.
- Do not attempt to modify the safety selector in any way.
- Always engage the safety selector when the firearm is not in use.
- Be aware of your surroundings and ensure that you have a clear line of sight when operating your firearm.
- If you experience any issues with the safety selector, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing safety selector from the firearm following the manufacturer's instructions.
- Align the Phase 5 AR15 90 Degree Ambi Safety Selector with the safety selector hole.
- Securely install the safety selector, ensuring it is fully seated and functions smoothly.
- Test the safety selector to confirm it engages and disengages properly.

2. Usage:

- To engage the safety, rotate the safety selector to the "Safe" position.
- To disengage the safety, rotate the safety selector to the "Fire" position.
- Always check the functionality of the safety selector before use.

Disposal Instructions

- Dispose of the safety selector in accordance with local regulations.
- Do not throw the safety selector in regular household waste.
- Consider recycling options if available, or contact local waste management for guidance on proper disposal.

Contact Information for Further Support

For any inquiries or assistance regarding the Phase 5 AR15 90 Degree Ambi Safety Selector, please reach out to your point of purchase or consult the manufacturer's website for support resources.

Conclusion

Your safety and the safety of others is paramount when using firearms and firearm accessories. By following this safety instruction guide, you can ensure a safe and enjoyable experience with your Phase 5 AR15 90 Degree Ambi Safety Selector. Always prioritize safety and responsibility in all your shooting activities.
