# AR15 Stand and Fight Ejection Port Cover Safety Instructions

## Introduction

Thank you for choosing the AR15 Stand and Fight Ejection Port Cover by Phase 5 Tactical. This product is designed to enhance the functionality of your AR15 while making a statement about your Second Amendment rights. This safety instruction guide provides essential information to ensure the safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that the firearm is unloaded before installation or handling of the Ejection Port Cover.
- Keep the Ejection Port Cover and all firearm parts out of reach of children and unauthorized users.
- Inspect the product for any visible damage or defects before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the Ejection Port Cover is compatible with your AR15 model before installation.
- Do not attempt to modify or alter the Ejection Port Cover in any way.
- Always wear appropriate eye protection when handling firearms.
- Avoid using the Ejection Port Cover in environments that may expose it to extreme heat or corrosive substances.
- Regularly clean and maintain the Ejection Port Cover to ensure optimal performance and longevity.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

### 2. Installation Steps

- Remove the existing Ejection Port Cover if applicable.
- Align the new AR15 Stand and Fight Ejection Port Cover with the ejection port on your firearm.
- Secure the Ejection Port Cover in place according to manufacturer instructions. (Note: hardware is not included.)
- Ensure that the cover opens and closes smoothly without obstruction.

### 3. Usage

- The Ejection Port Cover is designed to keep dirt and debris out of the ejection port while providing a visual statement.
- Regularly check the functionality of the cover to ensure it remains secure and operational.

## Disposal Instructions

- Dispose of the Ejection Port Cover and any packaging materials in accordance with local waste disposal regulations.

- Do not dispose of the product in regular household waste if it is damaged or defective. Follow local guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Stand and Fight Ejection Port Cover, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your new product.
