# Safety Instruction Guide for Phase 5 Mini Hand Stop

## Introduction

Thank you for choosing the Phase 5 Mini Hand Stop. This accessory is designed to enhance your shooting experience by providing a reliable grip and support. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Mini Hand Stop is only used with MLOK compatible rail systems.
- Regularly inspect the Mini Hand Stop for any signs of wear or damage before each use.
- Keep the Mini Hand Stop out of reach of children and vulnerable individuals.
- Always follow safe shooting practices and local laws regarding firearm usage.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the rail system to which the Mini Hand Stop is attached.
- Avoid using the Mini Hand Stop with incompatible accessories or attachments.
- Ensure that your hands are dry and free from oil or other substances that may affect grip.
- Use appropriate eye and ear protection while shooting.
- Always be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your rail system is clean and free of debris before installation.
- Align the Mini Hand Stop with the desired position on the MLOK rail.
- Securely attach the Mini Hand Stop using the provided hardware, ensuring it is tightened to prevent movement during use.
- The Mini Hand Stop can be mounted in either a forward or reverse position based on your grip preference.

### 2. Usage

- When using the Mini Hand Stop, position your support hand against the stop for proper indexing.
- You may use either a push or pull grip depending on your comfort and shooting style.
- Always maintain a firm grip on your firearm while shooting to ensure stability and control.

## Disposal Instructions

- Dispose of the Mini Hand Stop in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards to the environment or public safety.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

This safety instruction guide is designed to ensure the safe and effective use of the Phase 5 Mini Hand Stop. By following these guidelines, you can enjoy your shooting experience while adhering to safety standards. Thank you for prioritizing safety.
