

# 12-GAUGE LOW-DRAG HIGH VISIBILITY SHOTGUN FOLLOWERS - PHASE 5 TACTICAL LOW-DRAG HIGH VISIBILITY 12 GAUGE SHOTGUN FOLLOWER - BLUE

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Followers](#)

## Verify Clear With Sight and Feel

The 12GSF Low-Drag High-Visibility 12 Gauge Shotgun Follower from Phase 5 is a generic upgrade part that will promote reliable, smooth feeding without binding in many 12 gauge shotgun tube magazines and extension tubes. It's precision machined from extra-hard 7075 T6 aluminum bar stock (about 80% stronger than standard 6061 alloy) for a smooth, burr-free surface. The bright red, green or blue anodized finish, white lettering, and open center help you quickly identify visually or tactilely that the magazine is empty. Helps you quickly ID that magazine is empty Machined aluminum for durability & smooth operation Drop-in replacement for factory follower on many 12 ga shotguns (see Gun Tech Note below) Available in 3 eye-catching colors The Low-Drag High-Visibility Follower will fit most factory 12-gauge shotgun magazine tubes and extension tubes that DO NOT have spring/follower retention dimples. If your tube has dimples, you will need to remove them or replace the magazine tube in order to install the 12GSF. Phase 5's 12GSF Low-Drag High-Visibility Follower is a quick, simple upgrade that improves the safety and reliability of your 12 gauge shotgun. Brownells Gun Tech™ Note: The 12GSF is known to fit the following popular shotguns: Benelli M2 & M4, Mossberg 500 & 930, Remington 870, 1100 & 11-87, Keltec KSG (two required), Stoger M3000. Will not fit the Benelli Nova/SuperNova/Vinci/Super Vinci, Browning BPS & A5, CZ 612 & 712, FN SLP, Franchi 912 Variomax, Winchester SX2 & SX3.

# Safety Instruction Guide for 12Gauge LowDrag High Visibility Shotgun Followers

## Introduction

Thank you for choosing the 12Gauge LowDrag High Visibility Shotgun Follower from Phase 5 Tactical. This product is designed to enhance the performance and reliability of your shotgun. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is compatible with your shotgun model before installation.
- Always handle firearms with care and follow local laws and regulations regarding firearm safety.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the follower for wear and tear before each use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the follower in shotguns that have spring/follower retention dimples unless modifications have been made.
- Always ensure the shotgun is unloaded before installing or removing the follower.
- Avoid using the shotgun in conditions that may lead to excessive wear on the follower.
- Be aware that the follower is designed for 12gauge shotguns only; using it in other gauges may result in malfunction.
- If you experience any feeding issues or malfunctions, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your shotgun is completely unloaded and pointed in a safe direction.
- Gather necessary tools if required for installation.

### 2. Installation

- Remove the existing factory follower from your shotgun's magazine tube.
- Clean the magazine tube to remove any debris or obstructions.
- Carefully insert the 12Gauge LowDrag High Visibility Shotgun Follower into the magazine tube.
- Ensure that the follower is seated properly and moves freely within the tube.
- Reassemble the shotgun according to the manufacturer's instructions.

### 3. Usage

- Load your shotgun as per standard operating procedures.
- Monitor the follower's performance during use. If any issues arise, stop using the shotgun immediately.
- After use, inspect the follower for any signs of damage or wear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal recycling.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the 12Gauge LowDrag High Visibility Shotgun Follower, please contact the manufacturer directly through the provided channels.

By following these guidelines, you can help ensure the safe and effective use of your 12Gauge LowDrag High Visibility Shotgun Follower. Thank you for prioritizing safety!
