

ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 12.7" HANDGUARD M-LOK FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety instructions and guidelines to ensure the proper use and installation of your product. Please read this document carefully to understand how to use your handguard safely and effectively.

General Safety Guidelines

- Ensure safe use of the ATLAS RONE Handguard by following the instructions in this guide.
- Always inspect the handguard and mounting hardware before installation to identify any potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use appropriate tools and follow the installation instructions carefully to avoid accidents.
 - Ensure that the handguard is securely mounted to prevent it from loosening during use.
- **Weight Consideration:**
 - Be aware of the weight of the handguard and any additional accessories to maintain balance and control of your firearm.
- **Compatibility:**
 - Verify that the ATLAS RONE Handguard is compatible with your specific AR15 model before installation.
- **Gas Block:**
 - Ensure the handguard is compatible with low profile gas blocks to avoid interference during operation.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 and older. Ensure that younger individuals do not handle or operate the firearm with this handguard.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** You will need the following tools for installation:
 - Wrench for barrel nut
 - Torque wrench
 - Allen key (provided with the handguard)
2. **Prepare the Firearm:**
 - Ensure the firearm is unloaded and safe to work on.
3. **Remove Existing Handguard:**
 - Carefully remove the existing handguard by loosening any screws or attachments.
4. **Install the Barrel Nut:**
 - Attach the custom engineered barrel nut using the provided torque specifications.
5. **Attach the Handguard:**
 - Align the ATLAS RONE Handguard with the barrel nut and secure it using the provided locking nuts.
 - Ensure that the handguard is level and securely fastened.

6. Final Check:

- Inspect the installation to ensure all components are tight and secure.
- Check for any misalignment or loose parts before use.

Usage Instructions

- Always follow firearm safety protocols when using your AR15 equipped with the ATLAS RONE Handguard.
- Regularly check the handguard for signs of wear or damage, especially after extensive use.
- If you notice any issues, discontinue use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the ATLAS RONE Handguard and any associated hardware in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling options or hazardous waste disposal sites.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product. Always ensure that you are following the latest safety guidelines and recommendations.

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards. Your safety is our priority. Please use this product responsibly and in accordance with all safety guidelines.
