

# ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 15" HANDGUARD M-LOK FREE FLOATING FOR AR-15 BLK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

# Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

## Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for AR15. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Ensure the handguard is compatible with your AR15 model before installation.
- Always handle firearms safely and responsibly.
- Inspect the handguard for any damage before installation and use.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- In case of any doubts or questions regarding safety, consult a qualified professional.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the handguard as specified by the manufacturer.
- Ensure all mounting hardware is securely tightened before use.
- Avoid using the handguard with damaged or improperly functioning firearms.
- Regularly check the handguard for any signs of wear or damage.
- Do not modify the handguard in any way, as this may compromise safety.
- When using the handguard, maintain a firm grip and ensure that your fingers are clear of the muzzle at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools and mounting hardware included with the handguard.
- Read through all instructions carefully before beginning the installation process.

### 2. Installation Steps:

- Remove the existing handguard from your AR15 upper receiver.
- Clean the upper receiver to remove any debris or old mounting materials.
- Align the ATLAS RONE handguard with the upper receiver.
- Secure the handguard using the provided mounting hardware, ensuring all components are properly aligned.
- Use a torque wrench to tighten the mounting screws to the recommended specifications.

### 3. Usage:

- Once installed, familiarize yourself with the handguard's features, including the picatinny rail and sling sockets.
- Attach any accessories as needed, ensuring they are compatible with the handguard.
- Always conduct a function check of your firearm after installation to ensure everything is operating correctly.

## **Disposal Instructions**

- When disposing of the handguard, follow local regulations regarding the disposal of aluminum and firearm accessories.
- Do not incinerate the handguard or any of its components.
- If the handguard is damaged beyond use, consider recycling the materials where applicable.

## **Contact Information for Further Support**

For any inquiries or additional support regarding the ATLAS RONE handguard, please refer to the manufacturer's website or contact their customer service department.

By following these guidelines, you can help ensure a safe and effective experience with your ATLAS RONE MLOK Free Floating Handguards for AR15. Thank you for your attention to safety and responsible firearm use.
