The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

Safety Instruction Guide for ATLAS RONE MLOK Free Floating Handguards for AR15

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for AR15. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the handguard is compatible with your firearm model to avoid malfunctions.
- Always follow local laws and regulations regarding firearm modifications and accessories.
- Regularly inspect the handguard and mounting hardware for signs of wear or damage.
- Use only approved accessories and attachments with the handguard to maintain safety and performance.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- If you experience any issues or malfunctions, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or adjusting the handguard.
- Do not exceed the recommended weight limits for attachments to avoid compromising the handguard's integrity.
- Be cautious of sharp edges during installation and handling to prevent cuts or injuries.
- Ensure that the handguard is securely mounted before using the firearm to avoid accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components for installation.
- Ensure the firearm is unloaded and in a safe condition.

2. Installation Steps

- Remove the existing handguard from the AR15 upper receiver by loosening the mounting hardware.
- Align the ATLAS RONE handguard with the upper receiver, ensuring proper fit.
- Secure the handguard using the included mounting hardware. Follow these steps:
 - Place the barrel nut onto the upper receiver.
 - Attach the handguard to the barrel nut using the provided screws.
 - Tighten the screws evenly to ensure even pressure distribution.
- Check the alignment and stability of the handguard before proceeding.

3. Usage

- After installation, perform a function check of the firearm to ensure everything operates correctly.
- Use the handguard for its intended purpose only. Avoid using it for any other applications.
- Regularly inspect the handguard and all mounting components for tightness and wear.

Disposal Instructions

- Dispose of the handguard and any associated hardware in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or hazardous waste collection site.
- Remove any nonmetal components before recycling metal parts.
