

ATLAS R-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR-15 - AERO PRECISION ATLAS R-ONE 7" HANDGUARD M-LOK FREE FLOAT FOR AR-15 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. Available in KeyMod and M-LOK® profiles with 12" and 15" options (7" and 9" options coming soon). ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. Lightweight By Design KeyMod Handguard Weights: 7" - 5.12 oz / 9" - 5.92 oz / 12" - 7.84 oz / 15" - 8.96 oz M-LOK Handguard Weights: 7" - 5.22 oz / 9" - 6.03 oz / 12" - 8 oz / 15" - 9.07 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) Features: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels ATLAS Handguards are designed to match seamlessly with our M4E1 Threaded Upper Receivers. Additionally, they are compatible with any Mil-Spec AR-15 upper receivers as well. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo.

ATLAS RONE MLOK Free Floating Handguards

Safety Instructions

Introduction

Thank you for choosing the ATLAS RONE MLOK Free Floating Handguards for your AR15. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any product recalls. If applicable, follow the standardized recall notices and remedies.
- **Online Shopping:** Ensure that your purchase is made through a reputable online platform that complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when handling the product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Always use the included hardware for installation.
 - Ensure that the handguard is securely mounted to avoid any movement during use.
- **Handling Precautions:**
 - Handle the handguard with care; sharp edges may be present.
 - Avoid exposing the handguard to extreme temperatures or harsh chemicals.
- **Usage Precautions:**
 - Do not exceed the recommended weight limit for attachments.
 - Regularly inspect the handguard for any signs of wear or damage.
- **Compatibility Precautions:**
 - Ensure compatibility with your AR15 upper receiver and barrel.
 - Be aware that the handguard may not be compatible with billet upper receivers due to indexing tabs.

Instructions for Installation and Usage

1. Installation Steps:

- Gather all tools and hardware included in the package.
- Remove the existing handguard from your AR15 upper receiver.
- Align the ATLAS RONE handguard with the upper receiver.
- Use the proprietary ATLAS attachment system to secure the handguard in place.
- Tighten the locking nuts evenly to ensure proper clamping pressure.
- Verify that the handguard is securely mounted and does not move.

2. Usage Instructions:

- Attach accessories using the full top picatinny rail provided.
- Utilize the quick disconnect sling sockets at the 3, 6, and 9 o'clock positions.

- Ensure that any attached accessories do not exceed the weight limit of the handguard.
- Regularly check the tightness of all mounting hardware.

Disposal Instructions

- Dispose of the handguard and any packaging materials in accordance with local regulations.
- Do not dispose of in household waste if it contains hazardous materials.
- Consider recycling options for aluminum materials where available.

Contact Information for Further Support

For any questions or concerns regarding the ATLAS RONE MLOK Free Floating Handguards, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy the performance and reliability of your ATLAS RONE handguard!
