

# M5 (.308) ATLAS S-ONE M-LOK FREE FLOATING HANDGUARDS FOR AR 308 - AERO PRECISION M5 (.308) ATLAS S-ONE 15" HANDGUARD M-LOK FOR AR-308 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS S-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the S-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Aero's proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Aero Precision rail lengths measure from end to end. This is the point of contact at the receiver to the end of the last picatinny slot at the muzzle. Mounting Hardware Weight: 4.72 oz (same across all S-ONE Handguard options) FEATURES: Front and rear picatinny rail Eliminated center of top rail for weight reduction Indexing grooves in 12:00 position for positive grip control Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with mil-spec AR15 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers SPECS Made In America? Yes Platform M5 Series ATLAS Attachment Type M-LOK Material Machined from 6061-T6 aluminum M-LOK Handguard Weights: 12.7" - 7.66 oz / 15" - 8.71 oz Other Mounting Hardware Weight: 4.72 oz ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

# Safety Instruction Guide for M5 (.308) ATLAS SONE MLOK Free Floating Handguards

## Introduction

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguard. This guide provides essential safety instructions and information to ensure the safe use and installation of your handguard. Please read this guide thoroughly before use to understand the safety precautions and installation instructions.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the handguard by following all instructions carefully.
- **Enhanced Recalls:** Be aware that in the event of a product recall, standardized notices will be provided, along with free remedies for any dangerous products.
- **Online Shopping:** If purchased online, you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Compatibility:** This handguard is compatible with milspec AR15 upper receivers and barrels but is NOT compatible with M5E1 Enhanced Upper Receivers. Ensure compatibility before installation.
- **Weight Consideration:** The handguard is lightweight, weighing 8.71 oz for the 15" model. Ensure that your firearm can accommodate this weight without affecting balance or handling.
- **Installation Tools:** A standard armors wrench is required for installation. Ensure you have the correct tools before starting.
- **Avoid Overtightening:** When installing the handguard, avoid overtightening the screws as it may lead to damage or distortion.
- **Proper Handling:** Handle the handguard with care to prevent scratches or dents, which can affect performance and aesthetics.
- **Periodic Inspection:** Regularly check the handguard and mounting hardware for wear or damage. Replace any worn parts immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and free from distractions.
- Gather all necessary tools, including a standard armors wrench.

### 2. Installation Steps:

- Remove the existing handguard from your firearm, if applicable.
- Align the ATLAS Handguard with the upper receiver.
- Secure the handguard using the provided mounting hardware:
  - Use the turnbuckle screw to tighten the barrel nut.
  - Ensure that the two mirrored tapered locking nuts are evenly tightened to distribute clamping pressure.
  - Use the ratcheting detent for added security during installation.
- Check that the handguard is securely attached and there is no movement.

### 3. Usage:

- Once installed, ensure that the handguard is properly integrated with your firearm.
- Use the front and rear picatinny rails as needed for accessories.
- Always maintain a firm grip on the handguard during use to ensure control.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the handguard and any packaging materials in accordance with local regulations.
- **Recycling:** If possible, recycle aluminum components to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the M5 (.308) ATLAS SONE MLOK Free Floating Handguard, please refer to the appropriate support channels provided by your retailer or manufacturer.

Thank you for choosing the M5 (.308) ATLAS SONE MLOK Free Floating Handguard. Your safety is our priority, and we hope you enjoy the performance and quality of your new product.
