

# AR 308 M5 ATLAS R-ONE HANDGUARDS M-LOK - AERO PRECISION M5 (.308) ATLAS R-ONE 15" HANDGUARD M-LOK FOR AR-308 BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The ATLAS R-ONE is the newest addition to the Aero Precision Handguard lineup. Machined from 6061-T6 Aluminum, the R-ONE line of handguards are designed with size and weight in mind, providing the perfect handguard for your lightweight build. Our proprietary ATLAS attachment system is a durable and dependable mounting platform, maintaining a slim profile while still providing the strength and stability customers have grown to love from Aero Precision handguards. ATLAS The new Aero Taper Lock Attachment System (ATLAS) is both functional and aesthetically pleasing. It features 2 mirrored tapered locking nuts that provide evenly distributed clamping pressure across a custom engineered barrel nut with use of a turnbuckle screw. A ratcheting detent further secures the design while providing positive registration during installation. By design, the even pressure of the ATLAS system avoids distortion of the handguard often seen with current applications during installation. All hardware mounting parts are included with the purchase of an ATLAS Handguard. LIGHTWEIGHT BY DESIGN M-LOK Handguard Weights: 12.7" - 8.79 oz / 15" - 10.6 oz Mounting Hardware Weight: 4.72 oz (same across all ATLAS Handguard options) FEATURES: Full top picatinny rail for optional attachments Quick disconnect sling socket at the 3, 6 and 9 o'clock positions Compatible with low profile gas blocks 1.3" Inside diameter 1.5" Outside diameter Compatible with AR308 upper receivers and barrels NOT Compatible with M5E1 Enhanced Upper Receivers ATLAS Handguards are designed to match seamlessly with Aero's M5E1 Threaded Upper Receivers. However, they may not be compatible with billet upper receivers due to indexing tabs. Save when you buy them as a combo. PLEASE NOTE: These handguards do not come with a wrench. A standard armorers wrench will work with all M5 ATLAS Handguards.

## Attributes

- Name: [AERO PRECISION M5 \(.308\) ATLAS R-ONE 15" HANDGUARD M-LOK FOR AR-308 BLACK](#)
- Manufacturer: [AERO PRECISION](#)
- Product no.: 100036046
- Mfr. No.: APRA538705A
- Colour: Black
- Length: 15
- Material: Aluminum
- Style: M-LOK
- Weapon type: AR-15
- Delivery weight: 0.558kg
- Shipping height: 64mm
- Shipping width: 70mm
- Shipping length: 521mm
- UPC: 840014611621

## Item details

Made in USA

US export classification: 0A501.y.1

# Safety Instruction Guide for AR 308 M5 ATLAS RONE Handguards MLOK

## Introduction

Thank you for choosing the AR 308 M5 ATLAS RONE Handguard MLOK by Aero Precision. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new handguard. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and installation of the handguard. Follow all instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. Stay informed about safety updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations as required for physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on potential safety issues related to this product.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure that all components are free from defects before installation.
- Use appropriate tools, specifically a standard armorers wrench, to avoid damage during installation.

### • Handling Precautions:

- Always handle the handguard with care to prevent damage.
- Avoid exposing the handguard to extreme temperatures or harsh chemicals.

### • Use Precautions:

- Ensure that the handguard is properly attached before using the firearm.
- Regularly inspect the handguard for signs of wear or damage.

### • Compatibility:

- Confirm compatibility with your AR308 upper receiver and barrel before use.
- Do not attempt to use the handguard with M5E1 Enhanced Upper Receivers or billet upper receivers without verifying compatibility.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: standard armorers wrench, cleaning cloth, and safety glasses.
- Ensure the firearm is unloaded and pointed in a safe direction.

## **2. Installation Steps:**

- Remove the existing handguard if applicable.
- Clean the barrel nut and surrounding area to ensure a proper fit.
- Align the handguard with the barrel nut, ensuring the ATLAS attachment system is oriented correctly.
- Securely tighten the handguard using the turnbuckle screw to achieve even pressure.
- Check the ratcheting detent to ensure the handguard is secured in place.

## **3. Usage:**

- Once installed, test the stability of the handguard by applying light pressure.
- Attach any additional accessories to the full top picatinny rail as desired.
- Utilize the quick disconnect sling sockets located at the 3, 6, and 9 o'clock positions for added functionality.

## **Disposal Instructions**

- Dispose of the handguard in accordance with local regulations.
- If the handguard is damaged or no longer in use, consider recycling the aluminum material where applicable.
- Do not dispose of in regular household waste.

## **Contact Information for Further Support**

For further assistance regarding installation, usage, or safety concerns, please refer to the manufacturer's contact information provided at the time of purchase or on the product packaging.

Thank you for your attention to these safety guidelines. Enjoy the benefits of your new AR 308 M5 ATLAS RONE Handguard MLOK, and always prioritize safety in your firearm practices.
