

AIMPOINT MICRO DOT MOUNT - REPTILIA CORP AIMPOINT MICRO LOWER THIRD MOUNT, FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

An Easy Attachment Mechanism for Many Popular Red-Dot Optics

Looking for an easy, secure way to mount your red-dot optic to a Picatinny rail? The Reptilia DOT Mount is purpose-built to provide a high-quality, solid mounting solution for many of today's popular red dots and reflex-style optics, giving shooters a lower 1/3 co-witness mount compatible with standard AR-15 backup iron sights. Each Reptilia DOT Mount is machined from 7075-T6 aluminum, treated with a hardcoat-anodized finish and installs easily, thanks to a spring-loaded steel clamp complete with a durable, nitrided finish. The clamp and its mounting bolt sit flush with the mount's body, providing a seamless, snag-free attachment option for any rifle. Each mount is available in either black or flat dark earth finishes, made in the USA and backed by a full lifetime warranty. The mount is compatible with the following optics: Aimpoint - Micro R-1, H-1, H-2, T-1, T-2, CompM5 Sig - ROMEO4, ROMEO5 Vortex Optics - Sparc I & II Primary Arms - Micro Dot & Advanced Micro Dot Holosun Technologies - HS403

AIMPOINT MICRO DOT MOUNT REPTILIA CORP

Safety Instruction Guide

Introduction

Thank you for choosing the AIMPOINT MICRO DOT MOUNT from Reptilia Corp. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Always ensure that the mount is compatible with your optic and firearm before installation.
- Inspect the mount for any visible damage or defects before use.
- Keep the mount out of reach of children and unauthorized users.
- Do not modify the mount or use it in a manner not specified by the manufacturer.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the mount.
- Always use the mount in accordance with the manufacturer's instructions.
- Regularly check the mount for tightness and stability, especially after heavy use or after transportation.
- Avoid using the mount in extreme weather conditions without proper testing and evaluation.
- Be aware of the potential for recoil and ensure that the mount is securely attached to prevent detachment during use.
- Do not exceed the specified weight limit of the mount as indicated in the product specifications.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench if required.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Align the Reptilia DOT Mount with the Picatinny rail on your firearm.
- Use the springloaded steel clamp to secure the mount in place.
- Tighten the mounting bolt until it is snug, ensuring that the clamp sits flush with the mount's body.
- Use a torque wrench to tighten to the manufacturer's specified torque setting, if applicable.

3. Usage Steps:

- After installation, check the alignment of your optic to ensure proper co-witness with backup iron sights.
- Test the mount by gently shaking the firearm to ensure stability.
- Always check the mount before each use to ensure it remains secure.

Disposal Instructions

- Dispose of the mount in accordance with local regulations regarding electronic and metal waste.
- If the mount is damaged or no longer usable, ensure it is disposed of safely to prevent injury or

environmental harm.

Contact Information for Further Support

For any inquiries or support regarding the AIMPOINT MICRO DOT MOUNT, please refer to the manufacturer's website or contact their customer service. Ensure you have your product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy your AIMPOINT MICRO DOT MOUNT responsibly and safely!
