# TCS Cleaning Patches Safety Instruction Guide

## Introduction

Thank you for choosing TCS Cleaning Patches. These patches are designed for effective cleaning of firearms and are made from 100% cotton flannel. This guide provides essential safety instructions and usage information to ensure your safety and the proper use of this product.

## General Safety Guidelines

- Always read and understand all instructions and safety warnings before using the product.
- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Firearm Safety:** Always ensure that your firearm is unloaded before cleaning. Follow the manufacturer's instructions for your specific firearm.
- **Personal Protective Equipment:** Consider wearing safety glasses and gloves while using cleaning patches to avoid contact with cleaning solvents or debris.
- **Storage:** Store cleaning patches in a cool, dry place, away from direct sunlight and heat sources.
- **Chemical Exposure:** Be cautious when using any cleaning solvents or lubricants in conjunction with the patches. Follow the manufacturer's safety instructions for these products.
- **Disposal:** Dispose of used cleaning patches responsibly. Do not dispose of them in a manner that could pose environmental hazards.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including TCS Cleaning Patches, cleaning solvent, and cleaning jags.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Using the Patches:

- Select the appropriate size patch for your cleaning jag:
  - 22 Caliber: Use 22 Caliber patches (180 count).
  - 3045 Caliber: Use 3045 Caliber patches (160 count).
  - 28 Ga10 Ga: Use 28 Ga10 Ga patches (130 count).
- Attach the patch to the cleaning jag securely.

### 3. Cleaning Process:

- Apply a small amount of cleaning solvent to the patch.
- Insert the jag with the attached patch into the bore of the firearm.
- Pull the jag through the bore from the chamber to the muzzle in a smooth motion.
- Repeat as necessary until the bore is clean.

### 4. PostCleaning:

- Dispose of used patches properly.

- Store unused patches in their original packaging.

## **Disposal Instructions**

- Used cleaning patches should be disposed of in accordance with local regulations.
- Avoid disposing of them in a way that could harm the environment.

## **Contact Information for Further Support**

For additional support and safety inquiries, please refer to the manufacturer's contact details provided in the product packaging.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using TCS Cleaning Patches for your firearm maintenance.
