MLOK B1 Low Profile Handstop Safety Instruction Guide

Introduction

Thank you for purchasing the MLOK B1 Low Profile Handstop by ODIN Works Inc. This safety instruction guide is designed to help you understand the safe use, installation, and disposal of your new handstop. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the MLOK B1 Low Profile Handstop is used only with compatible MLOK handguards.
- Regularly inspect the handstop for any signs of wear or damage. If any defects are found, discontinue use immediately.
- Keep the handstop out of reach of children and vulnerable individuals to prevent accidental injury.
- Always follow local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe conditions or incidents related to the handstop to the appropriate authorities.

Specific Safety Precautions for Use

- **Weight Considerations:** The handstop weighs 1.15 ounces; ensure that your firearm can accommodate additional accessories without compromising stability.
- **Handling:** Use the handstop as intended; it is designed for stopping and handling only. Avoid using it for any other purposes.
- **Movement:** The lowprofile design minimizes snagging; however, always be aware of your surroundings to avoid entrapment.
- **Compatibility:** This handstop is specifically designed for MLOK systems; do not attempt to use it with incompatible systems.
- **Training:** Ensure that you are adequately trained in the safe handling and operation of firearms before using the handstop.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools (usually a hex key) for installation.

2. Locate the MLOK Slots:

- Identify the MLOK slots on your handguard where you wish to install the handstop.

3. Align the Handstop:

- Position the handstop over the desired MLOK slot.

4. Secure the Handstop:

- Insert the mounting hardware (provided) into the MLOK slots.
- Tighten securely using the appropriate tool, ensuring it is firmly attached but not overtightened to avoid damage.

5. **Final Check:**

- Once installed, ensure the handstop is stable and does not move when pulled or pushed.

Usage

- Grip the handstop firmly while using your firearm to maintain control.
- Practice using the handstop in a safe environment to become familiar with its handling features.
- Always maintain proper firearm safety practices while using the handstop.

Disposal Instructions

- Dispose of the MLOK B1 Low Profile Handstop in accordance with local regulations for electronic waste and firearm accessories.
- If the handstop is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the handstop in regular household waste.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MLOK B1 Low Profile Handstop, please contact the manufacturer directly. Ensure that you have your product details ready for reference.

By following these safety instructions, you can ensure the safe and effective use of your MLOK B1 Low Profile Handstop. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important guidelines.
