

AR-15 LOW PROFILE GAS BLOCK - ODIN WORKS INC. AR-15 GAS BLOCK LOW PROFILE .875 STEEL BLACK NITRIDE

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

An Adjustable Gas Block That Lets You Fine-Tune Gas Flow

Though there are other adjustable gas blocks on the market, only the ODIN Works AR-15 Adjustable Low Profile Gas Block gives you an incredible amount of versatility with an unprecedented number of stops, giving users 20 different points to truly fine-tune gas flow. Each ODIN Works adjustable gas block is machined from carbon steel and treated with a black-nitride finish. The front-facing adjustment screw is made from Inconel, which allows it to withstand the high temperatures encountered during rapid firing. No set screws are needed to adjust this block, and options are available to fit .750, .875 and .936 gas-block journals. Does not fit pistol length gas systems

Attributes

- Name: [ODIN WORKS INC. AR-15 GAS BLOCK LOW PROFILE .875 STEEL BLACK NITRIDE](#)
- Manufacturer: [ODIN WORKS INC.](#)

Safety Instruction Guide for AR15 Low Profile Gas Block

Introduction

Thank you for purchasing the AR15 Low Profile Gas Block from ODIN Works Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your gas block. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the gas block as it is a nonfood product. Follow all safety instructions to avoid risks.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Regularly check for updates.
- **Online Shopping Protections:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care is recommended for users who may be inexperienced or vulnerable.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware of updates on product safety through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Read All Instructions:** Before installation and use, read all instructions provided.
- **Check Compatibility:** Ensure the gas block is compatible with your specific AR15 model and gas system.
- **Avoid Modifications:** Do not modify the gas block or its components. Unauthorized changes can lead to unsafe conditions.
- **Use Appropriate Tools:** Only use tools that are suitable for the installation and adjustment of the gas block.
- **Wear Protective Gear:** Always wear safety glasses and gloves when handling the gas block and during installation.
- **Inspect Regularly:** Regularly inspect the gas block for signs of wear, damage, or corrosion.
- **Keep Away from Children:** This product is not intended for use by children. Store it in a safe place out of reach.

Instructions for Installation and Usage

1. Gather Required Tools:

- Allen wrench (sized for the adjustment screw)
- Torque wrench
- Cleaning supplies (if needed)

2. Preparation:

- Ensure the firearm is unloaded and safe to work on.
- Remove the existing gas block if applicable.

3. Installation Steps:

- Align the gas block over the gas port on the barrel.

- Secure the gas block in place using the provided screws.
- Tighten screws to the manufacturer's recommended torque specifications.
- Adjust the frontfacing screw to set the desired gas flow. The gas block provides 20 different adjustment points for finetuning.

4. **PostInstallation Check:**

- Ensure all screws are tightened properly.
- Conduct a function test to confirm proper operation.
- Inspect for any gas leaks around the gas block.

5. **Usage:**

- Monitor the performance of the gas block during use.
- Make adjustments as necessary based on the operation and cycling of the firearm.

Disposal Instructions

- **Disposal of Product:** Dispose of the gas block in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle any metal components of the gas block.

Contact Information for Further Support

For any inquiries or further support, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions and guidelines, you can ensure the safe and effective use of the AR15 Low Profile Gas Block. Thank you for your attention to safety.
