Safety Instruction Guide for ADJUSTABLE BUFFER

ODIN WORKS INC. 9MM ADJUSTABLE BUFFER

Introduction

Thank you for choosing the ADJUSTABLE BUFFER from ODIN Works Inc. This product is designed to enhance the customization and performance of your AR15, AR308, and 9mm pistolcaliber carbines. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that you are familiar with the operation of your firearm before using the adjustable buffer.
- Use only compatible ammunition with your firearm to avoid malfunctions.
- Regularly inspect your firearm and its components for wear and damage.
- Store the adjustable buffer in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and modifications.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the buffer.
- Wear appropriate personal protective equipment (PPE), including eye protection, when using your firearm.
- Do not exceed the recommended weight limits when adjusting the buffer.
- Be aware of your surroundings and ensure a safe shooting environment before firing.
- If you experience any malfunctions or unusual behavior from your firearm, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition.
- Remove the existing buffer from the buffer tube by following the manufacturer's instructions.
- Select the appropriate weight for your desired performance.
- Insert the adjustable buffer into the buffer tube, ensuring it is securely in place.
- Reassemble any other components as necessary, following the manufacturer's guidelines.

2. Usage:

- Before firing, verify that the adjustable buffer is correctly installed.
- Test the firearm with different weights to find the optimal performance for your specific ammunition.
- Record your settings for future reference.

3. Maintenance:

- Regularly clean the adjustable buffer and surrounding components to ensure optimal performance.
- Check for any signs of wear or damage and replace parts as necessary.

Disposal Instructions

- Dispose of the adjustable buffer and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ADJUSTABLE BUFFER, please refer to the manufacturer's contact information provided with your product. It is essential to have access to support for any safety inquiries or product-related issues.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the ADJUSTABLE BUFFER from ODIN Works Inc. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safe firearm practices.
