ADJUSTABLE BUFFER ODIN WORKS INC. AR15

HEAVY ADJUSTABLE BUFFER Safety Instructions

Introduction

Thank you for choosing the Adjustable Buffer from ODIN Works Inc. This product is designed to enhance the performance of your AR15, AR308, and 9mm pistol caliber carbines. To ensure safe and effective use, please read and follow all safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the Adjustable Buffer is compatible with your firearm model before use.
- Always handle firearms and accessories with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Inspect the Adjustable Buffer regularly for signs of wear or damage before each use.
- Do not use the Adjustable Buffer if it is damaged or has been modified in any way.
- Familiarize yourself with the local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the buffer.
- Use eye protection when working with firearms to prevent injury from debris or malfunction.
- Only use the Adjustable Buffer with ammunition that is appropriate for your firearm.
- Avoid using excessive force when adjusting the weights of the buffer to prevent damage.
- If you experience any malfunctions or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is pointed in a safe direction and is completely unloaded.
- Remove the existing buffer from your firearm according to the manufacturer's instructions.
- Select the desired weight from the included buffer weights.
- Insert the Adjustable Buffer into the buffer tube, ensuring it is seated properly.
- Reassemble your firearm according to the manufacturer's instructions.

2. Usage

- Test the function of your firearm in a safe and controlled environment.
- Make adjustments to the buffer weight as necessary to optimize performance with your specific ammunition.
- Always monitor the performance of your firearm after making adjustments and be prepared to revert to previous settings if needed.

Disposal Instructions

- Dispose of the Adjustable Buffer in accordance with local regulations for firearm accessories.
- Do not dispose of the product in regular household waste. Contact local waste management services for proper disposal methods.
- Ensure all components are disposed of safely to prevent injury to others.

Contact Information for Further Support

For any questions or concerns regarding the Adjustable Buffer, please refer to the official ODIN Works Inc. website or contact your local dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are our top priorities.
