# Safety Instruction Guide for ADJUSTABLE BUFFER ODIN WORKS INC. AR15 LITE ADJUSTABLE BUFFER

## Introduction

Thank you for choosing the ADJUSTABLE BUFFER by ODIN WORKS INC. This product is designed to enhance the performance of your AR15, AR 308, and 9mm pistolcaliber carbines. To ensure safe and effective use, please read this safety instruction guide thoroughly before installation and usage.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the buffer.
- Use protective eyewear and hearing protection when handling firearms.
- Keep the buffer and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the buffer and its components for signs of wear or damage.
- Familiarize yourself with local laws and regulations regarding firearm modifications.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits when using the adjustable buffer.
- Ensure proper installation to avoid any malfunction during operation.
- Avoid using the adjustable buffer with ammunition that exceeds the firearm's specifications.
- If you experience any unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.
- Be cautious of potential recoil changes when adjusting the buffer weights; test in a safe environment.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded.
- Gather tools required for installation, including a wrench and any other necessary tools as specified in your firearm's manual.

### 2. Installation Steps

- Remove the existing buffer from your AR15 or compatible firearm by following the manufacturer's guidelines.
- Select the appropriate weight from the adjustable buffer kit based on your desired performance.
- Insert the adjustable buffer into the buffer tube, ensuring it is seated properly.
- Secure the buffer in place according to your firearm's specifications.

### 3. Adjusting the Buffer Weight

- To adjust the buffer weight, follow the instructions provided with the adjustable buffer kit.
- Swap out weights as needed to finetune performance based on the ammunition type and shooting conditions.
- Test the firearm in a controlled environment after each adjustment to ensure proper functionality.

### 4. PostInstallation Check

- Conduct a function check to ensure the firearm operates correctly with the new buffer installed.
- Verify that there are no obstructions or loose components.

## Disposal Instructions

- Dispose of the adjustable buffer and its components in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- If you are unsure how to properly dispose of the product, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the ADJUSTABLE BUFFER, please refer to the ODIN WORKS INC. official website or consult with a qualified firearms expert.

By following these safety instructions, you can ensure the safe and effective use of your ADJUSTABLE BUFFER. Always prioritize safety and responsibility when handling firearms.
