## A Padded Buffer Tube That Offers a Ready-Made Stock for Your Rifles and Carbines

You know you're going to need a stock along with that buffer tube for your next build, so why not just get them both at once, saving you time and money? ODIN Works combined its ZULU 2.0 stock with this padded buffer tube and back plate, so you can get your rifle or carbine set up straight from the box. Each ODIN Works ZULU 2.0 stock is machined from 6061 aluminum and is designed for ambidextrous use. The kit even ships with a reversible quick-detach adapter, so you can configure this setup for left- or right-handed shooting.

# ZULU Adjustable Stock Safety Instructions

## Introduction

Thank you for choosing the ZULU Adjustable Stock with Padded Pistol Buffer Tube & Back Plate by ODIN Works Inc. This safety instruction guide is designed to help you understand the safe use, installation, and disposal of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your product to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling or using the stock.
- Ensure that the stock is securely attached to the buffer tube before use.
- Avoid using the stock if it shows any signs of damage or if any components are missing.
- Do not exceed the weight limit specified by the manufacturer for the stock.
- Use the reversible quickdetach adapter only as instructed; improper use may lead to accidents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Unpack the Product:** Carefully remove the ZULU Adjustable Stock from its packaging. Inspect all components for any damage or missing parts.
2. **Attach the Stock:**
  - Align the stock with the buffer tube.
  - Slide the stock onto the buffer tube until it clicks into place.
  - Ensure that the stock is securely locked in position.
3. **Adjust the Stock:**
  - To adjust the length of the stock, press the adjustment lever and slide the stock to the desired length.
  - Release the lever to lock the stock in place.
4. **Install the Back Plate:**
  - Align the back plate with the stock and buffer tube.
  - Secure the back plate using the provided screws, ensuring a tight fit.
5. **Attach the QuickDetach Adapter:**
  - Follow the instructions provided with the adapter for proper installation.
  - Ensure that the adapter is securely attached before use.

### Usage Instructions

- Always check that the stock is securely attached before each use.
- Use the stock in accordance with the manufacturer's guidelines for ambidextrous shooting.
- When switching between left and righthanded configurations, ensure that the quickdetach adapter is properly reconfigured.
- Avoid using the stock in wet or slippery conditions to prevent loss of control.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in general household waste.
- If the product is no longer usable, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding your ZULU Adjustable Stock, please refer to the manufacturer's contact resources available on their official website or product packaging.

By following these safety instructions, you can ensure the safe and effective use of your ZULU Adjustable Stock. Thank you for your attention to safety and compliance.
