

# 308 COLLAPSIBLE PRECISION STOCKS - B5 SYSTEMS COLLAPSIBLE PRECISION STOCK MUTICAM- SHORT

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Precision Stock for AR platform rifles from B5 Systems is redefining what a precision stock really is. Designed to allow for a toolless, fine adjustment of both length of pull and cheek height, the B5 Systems Precision Stock is unique in that it mounts to a carbine or A5 receiver extension to offer greater length of pull adjustability not afforded in other stocks. And not only can you quickly adjust the length of pull with the low profile, no-snag latch, but once you have it set where you need it the latch can be locked in ensuring that's set exactly where you want and need it. Another feature that is unique for a precision stock is that the B5 Systems Precision Stock is compatible with the Law Tactical Folding Stock Adapter for when you need compact or concealed transport options. The front "nose" of the Precision Stock is slanted and shortened to allowing for single point sling use when the stock is collapsed. Sling mounting options are plentiful with left and right limited rotation steel QD cups, as well as two fixed sling mounts. Underneath you'll find M-LOK attachment sections for mounting of monopods or other attachments. The B5 Systems Precision Stock will come in two models with one designed specifically for the AR-15 and one designed for the ARs in 7.62 or 6.5CM. The difference between the two lies in the length of the cheek piece with each model allow for platform correct full usage of the charging handle with the cheek piece in the raised position.

## Attributes

- Name: [B5 SYSTEMS COLLAPSIBLE PRECISION STOCK MUTICAM- SHORT](#)
- Manufacturer: [B5 SYSTEMS](#)
- Product no.: 100036229
- Mfr. No.: CPS1406
- Colour: Multi-Cam
- Material: Polymer
- Style: Collapsible
- Type: Mil-Spec
- Weapon type: AR .308
- Delivery weight: 0.659kg
- Shipping height: 76mm
- Shipping width: 184mm
- Shipping length: 273mm

## Item details

Made in USA  
US export classification: 0A501.y.1

# Safety Instruction Guide for B5 Systems Collapsible Precision Stocks

## Introduction

Thank you for choosing the B5 Systems Collapsible Precision Stock. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model (AR platform rifles).
- Always handle firearms safely and responsibly.
- Inspect the stock for any damage before use. Do not use if damaged.
- Keep the stock out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the stock with compatible receiver extensions (carbine or A5).
- Ensure the latch is securely locked after adjusting the length of pull.
- Avoid using the stock in a manner that could cause it to become dislodged.
- Use caution when adjusting the cheek height to prevent pinching or injury.
- When using the stock in a collapsed position, ensure that the front "nose" is clear of obstructions to allow for safe sling use.
- Regularly check the sling mounting options to ensure they are secure.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from your firearm.
- Align the B5 Systems Precision Stock with the receiver extension.
- Securely fasten the stock according to the manufacturer's specifications.
- Ensure that the stock is properly mounted and does not wobble.

### 2. Adjusting Length of Pull:

- Locate the low profile latch on the stock.
- Pull the latch to release the stock for adjustment.
- Extend or retract the stock to your desired length of pull.
- Release the latch to lock the stock in place. Confirm that it is secure.

### 3. Adjusting Cheek Height:

- Identify the cheek piece adjustment mechanism.
- Raise or lower the cheek piece to your preferred height.
- Ensure that the cheek piece is locked in place before use.

### 4. Using the Sling Mounts:

- Choose the preferred sling mounting option (QD cups or fixed mounts).
- Ensure that the sling is securely attached before use.
- Check the sling for wear or damage regularly.

#### **5. Folding Stock Adapter Compatibility:**

- If using the Law Tactical Folding Stock Adapter, ensure compatibility with your stock.
- Follow the manufacturer's instructions for proper installation and use with the adapter.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Consider recycling options for polymer materials where available.

## **Contact Information for Further Support**

For any further inquiries or support regarding the B5 Systems Collapsible Precision Stock, please reach out to your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your B5 Systems Precision Stock and use it safely!
