[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Black Dog Machine's 32 rounds polycarbonate magazine is designed to work with a number of .22LR AR-15 style firearms. Made from durable polycarbonate these magazines feature stainless steel feed lips for improved lifespan. Loading all 32 rounds is also made easier by the built-in thumb pull down tab. (Never use this feature without loading ammo into the magazine. Sliding the thumb assist down the magazine then releasing the thumb assist back to original position will most likely damage the internal pieces. If this happens, the Warranty is voided.) This magazine works with Atchisson/Ciener, CMMG (older models), Model 1 Sales, Spikes Tactical, Tactical Solutions, Target Master Conversions & other AR-15 .22LR dedicated uppers and conversion units. Please note that this magazine does not work with: CMMG (evolution), Sig 522, KelTec SU22 & PLR22, Colt, DPMS or S&W M&P15-22.

## Introduction

Thank you for purchasing the AR15 32RD MAGAZINE 22LR from Black Dog Machine. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Do not use the magazine with incompatible firearms.
- Inspect the magazine before each use for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Store the magazine in a cool, dry place to prevent damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Loading and Unloading:**
  - Use the builtin thumb pull down tab to assist in loading, but only when the magazine is empty.
  - Never use the thumb assist feature without loading ammunition into the magazine, as this may damage the internal components and void the warranty.
- **Compatibility:**
  - This magazine is designed for use with specific .22LR AR15 style firearms. Ensure compatibility with your firearm before use.
- **Incompatible Firearms:**
  - Do not use this magazine with the following firearms:
  - CMMG (evolution)

- **Maintenance:**
  - Regularly clean the magazine to ensure proper functioning and longevity.
  - Do not attempt to disassemble the magazine for repairs.

## Instructions for Installation and Usage

- **Installation:**
  - Align the magazine with the magazine well of your compatible AR15 style firearm.
  - Firmly push the magazine into the magazine well until it clicks into place.
- **Usage:**
  - Load the magazine with .22LR ammunition using the thumb pull down tab for ease.
  - Ensure that the ammunition is seated properly in the magazine.
  - When ready to fire, insert the magazine into the firearm and ensure it is securely locked in place.
- **Unloading:**
  - To unload, remove the magazine from the firearm.
  - Press the thumb pull down tab to release the ammunition, ensuring it is done safely and away from your body.

## **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular trash. Check with local waste management for proper disposal methods.
