

# MA-LOADERS FOR AR-15 - MEAN ARMS AR-15 MA-LOADER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

## A California-Compliant Mag Loader Designed for Fast Reloads

MA-LOADERS FOR AR-15 California, among other restrictive states, passed a series of laws designed to restrict the ability of law-abiding gun owners to effectively reload their AR-style sporting rifles. This not only tramples on the rights of law-abiding citizens, it also prevents innocent civilians from reloading their guns quickly in the face of an attacker, possibly costing lives. To combat this, Mean Arms developed its MA-Loader, the first-ever loading device designed to reload AR-15s from the ejection port. The Mean Arms MA-Loader doesn't require any modifications to a standard AR-15 rifle to function. Mean Arms offers an MA Feed Ramp designed to streamline the loading process, but it is not required to use the loader. These mag loaders will load 10 rounds of 7.62 NATO or 5.56 NATO quickly and easily, allowing honest gun owners to get their rifles back into action quickly and easily. A Mean Arms MA-Loader designed for use in the AR-15 will function in any mil-spec AR-15 rifle.

## Attributes

- Name: [MEAN ARMS AR-15 MA-LOADER](#)
- Manufacturer: [MEAN ARMS](#)
- Product no.: 100036245
- Mfr. No.: 2100169
- Caliber: 22 Caliber (.223-.224)
- Capacity: 10-Round
- Style: Range Loader
- Weapon type: AR-15
- Delivery weight: 0.111kg
- Shipping height: 25mm
- Shipping width: 152mm
- Shipping length: 292mm
- UPC: 855926007004

# **MALOADERS FOR AR15 MEAN ARMS AR15**

## **MALoader Safety Instruction Guide**

### **Introduction**

Thank you for choosing the MALoader for your AR15. This product is designed to enhance the reloading process of your firearm safely and efficiently. It is essential to understand and follow the safety guidelines and instructions provided in this manual to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

### **General Safety Guidelines**

- Ensure that you are familiar with the laws and regulations regarding firearm use in your area.
- Always treat your firearm as if it is loaded.
- Keep the MALoader and all ammunition out of reach of children and unauthorized users.
- Inspect the MALoader for any damage before use. Do not use if damaged.
- Always use the product in a safe environment, free from distractions and potential hazards.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### **Specific Safety Precautions for Use**

- Only use the MALoader with compatible AR15 models and specified calibers (7.62 NATO or 5.56 NATO).
- Do not attempt to modify or alter the MALoader in any way.
- Ensure that the firearm is pointed in a safe direction during loading and unloading.
- Avoid loading ammunition in a crowded or confined space.
- Do not exceed the maximum capacity of the MALoader (10 rounds).
- Always follow the manufacturer's instructions for the proper use of the MALoader.

### **Instructions for Installation and Usage**

#### **1. Preparation**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary ammunition (7.62 NATO or 5.56 NATO).

#### **2. Loading the MALoader**

- Place the MALoader into the ejection port of the AR15.
- Insert the ammunition into the MALoader, ensuring that the rounds are oriented correctly.
- Press down on the loader to secure the rounds in place.

#### **3. Releasing the Ammunition**

- Once loaded, gently pull the MALoader away from the ejection port.
- Ensure that all rounds are securely loaded into the magazine.

#### **4. PostUse Care**

- After use, store the MALoader in a safe location, out of reach of children and unauthorized users.
- Regularly clean the MALoader to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the MALoader in accordance with local waste disposal regulations.
- Do not dispose of in regular household waste if it is damaged or broken.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MALoader, please refer to the manufacturer's website or customer service for assistance. Ensure to have your product details ready when seeking support.

By following these guidelines and instructions, you can ensure the safe and effective use of your MALoader for AR15. Thank you for prioritizing safety and compliance with regulations.
