An Easy 9mm Conversion Insert for Your PMAG

Several companies have developed 9mm conversion systems designed for use in standard AR-15 lowers and uppers. However, feeding a 9mm magazine through a standard AR-15 magazine well presents some issues. Typically, this has been solved by the use of magwell inserts, but Mean Arms tackled the issue with a different take: why not change the magazine itself? The Mean Arms AR-9 Endomag Conversion Kit takes any standard Gen 2 or Gen 3 Magpul PMAG and allows it to be converted to feed 9mm rounds. The conversion is built for use with Glock or Colt 9mm bolt-carrier groups. The kit comes ready to convert 10-round magazines, but it can be modified to fit 20- or 30-round magazines. No magwell adapter is needed for use with the Mean Arms AR-9 Endomag Conversion Kit, and the company ensures reliable performance with all brands of 9mm ammo.

Attributes

- Name: [MEAN ARMS AR-9 ENDOMAG 9MM 30-ROUND](#)
- Manufacturer: [MEAN ARMS](#)
- Product no.: 100036246
- Mfr. No.: 2100669
- Capacity: 30-Round
- Cartridge: 9 mm Luger
- Finish: Black
- Delivery weight: 0.102kg
- Shipping height: 25mm
- Shipping width: 152mm
- Shipping length: 292mm

Safety Instruction Guide for AR9 Endomags 9mm Conversion Kit

Introduction

Thank you for choosing the Mean Arms AR9 Endomag 9mm Conversion Kit. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm and conversion kit as if they are loaded.
- Ensure that you are familiar with your firearm's operating manual and safety features.
- Only use the AR9 Endomag Conversion Kit with compatible firearms and specified magazines.
- Keep the conversion kit and all related components out of reach of children and unauthorized users.
- Inspect the conversion kit regularly for signs of wear or damage.
- Store the conversion kit in a secure location when not in use.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the conversion kit or use it in a manner not specified in this guide.
- Ensure that the firearm is unloaded before installing or removing the conversion kit.
- Only use highquality, commercially manufactured 9mm ammunition.
- Avoid using reloaded or damaged ammunition as it may cause malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the conversion kit if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded.
2. Remove the existing magazine from the firearm.
3. Follow these steps to install the AR9 Endomag Conversion Kit:
 - Take a standard Gen 2 or Gen 3 Magpul PMAG.
 - Insert the conversion kit into the magazine according to the provided instructions.
 - Ensure the kit is securely attached and properly aligned.
4. Once installed, insert the modified magazine into the magazine well of your firearm.

Usage

- Load the magazine with 9mm ammunition according to the manufacturer's specifications.
- Insert the magazine into the firearm until it clicks into place.
- Always perform a function check to ensure proper feeding of rounds.
- Follow all standard firearm handling and safety practices while shooting.

Disposal Instructions

- Dispose of the conversion kit and any damaged components in accordance with local regulations.
- Do not dispose of the conversion kit in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Mean Arms AR9 Endomag Conversion Kit, please reach out to the designated EU contact point for assistance.

By following these safety instructions and guidelines, you can ensure a safer experience with your AR9 Endomag 9mm Conversion Kit. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
