

STICKY SKID PAD - ARMAGEDDON GEAR STICKY SKID PAD, BLACK

[Home](#)

An Easy Addition to Your Rifle That Offers Friction Adhesion

Don't you hate it when you throw your rifle over a barrier and it starts sliding around whenever you put pressure on it? Stop letting this annoying truth cost you time during a match. Grab the Armageddon Gear Sticky Skid Pad and enhance your rifle's chassis. Each Armageddon Gear Sticky Skid Pad is constructed with the company's proprietary "grippy" material, which combines waxed canvas with a special, tacky fabric that won't break down under UV rays. Using adhesive-backed hook-and-loop strips, this canvas eliminates the problem of rifles slipping round on hard, uneven surfaces.

Safety Instruction Guide for Armageddon Gear Sticky Skid Pad

Introduction

Thank you for choosing the Armageddon Gear Sticky Skid Pad. This product is designed to enhance the stability of your rifle while preventing it from sliding on hard and uneven surfaces. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the Sticky Skid Pad for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the Sticky Skid Pad on surfaces that are excessively wet or slippery, as this may reduce its effectiveness.
- Do not expose the product to extreme temperatures or harsh chemicals, as these can degrade the material.
- Ensure that the adhesivebacked hookandloop strips are securely attached before use.
- If the Sticky Skid Pad becomes dirty, clean it gently with a damp cloth and mild soap, and allow it to dry completely before reusing.

Instructions for Installation and Usage

1. **Preparation** Clean the surface of your rifle's chassis where the Sticky Skid Pad will be applied. Ensure it is free from dust, oil, and moisture.
2. **Installation** Remove the protective backing from the adhesivebacked hookandloop strips on the Sticky Skid Pad. Carefully align the pad on the desired area of the rifle's chassis and press firmly to ensure a secure bond.
3. **Usage** Place your rifle on a stable, flat surface. The Sticky Skid Pad will provide additional grip and prevent slipping. Monitor the pad's condition during use. If it shows signs of wear, consider replacing it.
4. **Removal** To remove the Sticky Skid Pad, gently peel it away from the surface. Avoid pulling too hard to prevent damage to the underlying material.

Disposal Instructions

- Dispose of the Sticky Skid Pad in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For further support or inquiries regarding safety concerns, please refer to the contact information provided by the manufacturer. Ensure that you have the product details ready for a more efficient response.

Thank you for prioritizing safety while using the Armageddon Gear Sticky Skid Pad. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
