An Aluminum Armorer's Block for Your Next AR Build

If you're ready to jump into the world of AR-style rifle building, then it's critical to have the necessary tools that will make your next AR build a breeze. The Crosstac AR-15 Armorer Block Kit is a must-have for anyone who's looking to build more than a single rifle. Trust us, you'll build more than one AR after you're finished with your first. Designed to work with both AR-15 and AR .308 platforms, this Crosstac Aluminum Armorer Block Kit includes features designed to secure both the upper and lower receivers of these popular platform. This design emerged from the frustration of Crosstac's team of engineers, who were tired of dealing with clamshell-style receiver holders. This adjustable block covers all platforms and will hold your receivers more securely than other armorer's blocks on the market. Each Crosstac Armorer Block Kit features nylon setscrews that allow for precision adjustment inside the magazine well. This ensures a perfect fit, as each magazine well will have different profiles due to different construction methods. The block also features machined ledges in the base of the rest, so each block sits level. The block also includes the company's CNC-machined, stainless-steel pin driver.

Attributes

- Name: [CROSSTAC AR-15 ARMORER BLOCK ALUMINUM KIT](#)
- Manufacturer: [CROSSTAC](#)
- Product no.: 100036277
- Mfr. No.: 135215

Safety Instruction Guide for the Crosstac AR15 Armorer Block Kit

Introduction

Thank you for choosing the Crosstac AR15 Armorer Block Kit. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow all instructions carefully to avoid hazards and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the Armorer Block Kit before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable groups.
- Use protective eyewear and gloves when handling tools and firearms.
- Report any unsafe products or incidents to the appropriate authorities.
- Check the EU's Safety Gate platform for recall updates on this product.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to personal injury or damage to the firearm.
 - Ensure that the firearm is unloaded before installation or adjustment.
- **Avoiding Hazards:**
 - Do not exceed the weight limits of the Armorer Block.
 - Always secure the upper and lower receivers properly to prevent accidents.
 - Use the nylon setscrews for precision adjustment to ensure a snug fit.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of obstructions.
- Gather necessary tools and ensure the firearm is unloaded.

2. Installation:

- Place the Armorer Block on a stable surface.
- Position the block within the magazine well of the lower receiver.
- Use the nylon setscrews to adjust the fit until the block is secure.

3. Usage:

- Insert the upper receiver into the designated area of the block.
- Securely fasten the upper receiver using the provided stainlesssteel pin driver.
- Perform any necessary adjustments to the firearm while the block holds the components securely.

4. PostUsage:

- Carefully remove the upper receiver from the block after use.
- Store the Armorer Block in a safe and dry place.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged beyond use, consider recycling the aluminum material where applicable.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the appropriate contact points provided by the manufacturer or retailer.
