A Gun Case Designed to Take Punishment

Capitalizing on the success of its line of hard-sided gun cases, Explorer Cases developed its new Red Series of gun cases, which are built with a stronger, hardier construction to ensure that it secures and protects your firearms and accessories from the punishment of travel in the field. Even with its enhanced construction, these Red Explorer Cases are made with a budget price in mind, so you can afford to protect and secure your firearms. Each Red Explorer Case is constructed from durable polypropylene material, which is thick and sealed well enough to make the case waterproof, dustproof, crushproof and shockproof. In fact, this case is TSA-approved, so you know it'll protect your gear from the rigors of air travel! The cases also features ball-bearing wheels for easy transport and includes four different padlock points, as well as contoured handles. These Red Explorer Cases also include a soft gun bag that can be used separately for casual travel to and from your range, or they can be used as an additional layer of protection when trekking afield with your secured firearm. Cases in this lineup include the SBR option, sized for the IWI Tavor, most SBRs and AR-15 pistols The RA9413 case provides plenty of room for your standard AR-15 carbine, as well as shorter shotguns and bullpup rifles. Finally, the lengthy R11413 offers plenty of room for your long-barreled, scoped precision rifle.

Safety Instruction Guide for RED EXPLORER CASES WITH SOFT GUN BAG 37" AR15 RIFLE CASE W/SOFT GUN BAG

Introduction

Thank you for choosing the Red Explorer Cases with Soft Gun Bag. This safety instruction guide is designed to provide you with essential information regarding the safe use, handling, and storage of your gun case. Please read this guide carefully to ensure your safety and the protection of your firearms and accessories.

General Safety Guidelines

- Always handle firearms with care and follow all local laws and regulations regarding firearms storage and transportation.
- Ensure that the gun case is used only for its intended purpose, which is to secure and protect firearms and accessories.
- Regularly inspect the case for any signs of damage or wear. If any damage is found, discontinue use immediately.
- Keep the case out of reach of children and vulnerable individuals to prevent unauthorized access to firearms.
- Be aware of your surroundings when transporting the case, and take extra precautions in crowded or public areas.

Specific Safety Precautions for Use

- **Waterproofing:** Although the case is designed to be waterproof, avoid exposing it to excessive water for prolonged periods. Ensure that all zippers and seals are properly closed before exposure.
- **Transporting Firearms:** Always ensure that firearms are unloaded before placing them in the case. This reduces the risk of accidental discharge.
- **Locking Mechanisms:** Utilize the four padlock points to secure the case when not in use or during transport. This adds an extra layer of security.
- **Weight Considerations:** Be mindful of the weight of the case when fully loaded. Use the ballbearing wheels for easier transport.
- **Soft Gun Bag Usage:** The included soft gun bag can be used separately for casual travel. Ensure it is securely closed and does not contain any unauthorized items.

Instructions for Installation and Usage

1. Unpacking the Case:

- Carefully remove the case from its packaging.
- Inspect the case for any visible damage or defects.

2. Loading Firearms:

- Open the case and place the firearms and accessories inside.
- Ensure that all items are securely positioned to avoid movement during transport.

3. Securing the Case:

- Close the case and ensure all latches are securely fastened.
- Use the provided padlock points to lock the case if necessary.

4. Transporting the Case:

- Use the contoured handles or ballbearing wheels for easy transport.
- Keep the case upright and avoid dragging it over rough surfaces.

5. Storing the Case:

- Store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- Ensure that the case is locked and secured when not in use.

Disposal Instructions

- When the case reaches the end of its life cycle, dispose of it responsibly.
- Check local regulations for proper disposal methods, especially concerning the polypropylene material.
- If applicable, consider recycling the material to minimize environmental impact.
