

RED EXPLORER CASES WITH SOFT GUN BAG - 45" RIFLE/SHOTGUN CASE W/SOFT GUN BAG

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

A Gun Case Designed to Take Punishment

Capitalizing on the success of its line of hard-sided gun cases, Explorer Cases developed its new Red Series of gun cases, which are built with a stronger, hardier construction to ensure that it secures and protects your firearms and accessories from the punishment of travel in the field. Even with its enhanced construction, these Red Explorer Cases are made with a budget price in mind, so you can afford to protect and secure your firearms. Each Red Explorer Case is constructed from durable polypropylene material, which is thick and sealed well enough to make the case waterproof, dustproof, crushproof and shockproof. In fact, this case is TSA-approved, so you know it'll protect your gear from the rigors of air travel! The cases also features ball-bearing wheels for easy transport and includes four different padlock points, as well as contoured handles. These Red Explorer Cases also include a soft gun bag that can be used separately for casual travel to and from your range, or they can be used as an additional layer of protection when trekking afield with your secured firearm. Cases in this lineup include the SBR option, sized for the IWI Tavor, most SBRs and AR-15 pistols The RA9413 case provides plenty of room for your standard AR-15 carbine, as well as shorter shotguns and bullpup rifles. Finally, the lengthy R11413 offers plenty of room for your long-barreled, scoped precision rifle.

Safety Instruction Guide for RED EXPLORER CASES WITH SOFT GUN BAG 45" RIFLE/SHOTGUN CASE W/SOFT GUN BAG

Introduction

Thank you for choosing the RED EXPLORER CASES WITH SOFT GUN BAG. This guide provides essential safety instructions to ensure the safe use of your product. Please read the entire guide carefully before using the case to protect your firearms and accessories effectively.

General Safety Guidelines

- Ensure that you are aware of local laws and regulations regarding firearm storage and transportation.
- Always handle firearms with care and ensure they are unloaded when placing them in the case.
- Regularly inspect the case for any signs of wear or damage to maintain its protective qualities.
- Keep the case out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents involving the case to the appropriate authorities.

Specific Safety Precautions for Use

- **Waterproofing:** While the case is designed to be waterproof, avoid prolonged exposure to water to maintain its integrity.
- **Shock Resistance:** Do not drop or throw the case as this may compromise its protective features.
- **Weight Limit:** Be mindful of the weight of the firearms and accessories placed inside the case to avoid strain during transport.
- **Locking Mechanism:** Always use the provided padlock points to secure the case when not in use.
- **Soft Gun Bag Usage:** Ensure the soft gun bag is properly closed and secured when in use to prevent accidental exposure of the firearm.

Instructions for Installation and Usage

1. Unpacking the Case:

- Carefully remove the case from its packaging.
- Inspect the case for any visible damage or defects.

2. Loading the Case:

- Ensure that all firearms are unloaded before placing them inside the case.
- Place firearms and accessories in the case, ensuring they are securely positioned to prevent movement during transport.
- Utilize the soft gun bag for additional protection or as a separate travel option.

3. Securing the Case:

- Close the case securely, ensuring all latches are engaged.
- Use the four padlock points to secure the case if necessary.

4. Transporting the Case:

- Use the ballbearing wheels for easy transport.
- Carry the case using the contoured handles, ensuring a firm grip.

5. **Storing the Case:**

- Store the case in a cool, dry place away from direct sunlight.
- Avoid stacking heavy objects on top of the case to prevent damage.

Disposal Instructions

- Dispose of the case in accordance with local regulations regarding plastic and polypropylene materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries related to safety or product features, please refer to the manufacturer's customer support resources. It is recommended to check for updates regarding product recalls or safety notices through the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety and the protection of your firearms are our top priority.
