

X-LONG SNIPER RIFLE EXPLORER HARD CASE BLACK - EXPLORER CASES 61" SNIPER RIFLE GUN CASE W/FOAM

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

A Rifle Case Built to Protect Your Precision Rifle

Finally, there's an extra-durable rifle case that's sized right for your extra-long precision rifle! For years, owners of these large, bulky, big-bore precision guns had to break their firearms down just to fit them into a travel case. With the Explorer X-Long Sniper Rifle Case, now these rifle owners have a travel-ready, hard-sided gun case with 60 inches of interior length that can accommodate the largest rifles on the market! Each Explorer X-Long Sniper Rifle Case is constructed from durable polypropylene material, which is strengthened, reinforced and sealed well enough to isolate and protect contents through harsh field conditions or particularly punishing travel experiences. The cases are waterproof, dustproof, sandproof, shockproof and crushproof. Designed particularly for military use, the cases are equipped with four steel-reinforced padlock points and feature multiple handles for easy carrying. This extra-long sniper-rifle case features heavy-duty wheels complete with ball-bearing internals, which allows it to be rolled by a single person with ease. Side handles also offer lift points for two individuals, if needed. The empty weight of the case is 23.6 pounds, and large rifles like the McMillan TAC 50, Barrett M82A1 and Barrett M107A1 are all easily accommodated inside this carry case.

XLong Sniper Rifle Explorer Hard Case Safety Instructions

Introduction

Thank you for choosing the XLong Sniper Rifle Explorer Hard Case. This product is designed to provide a safe and secure way to transport your precision rifle. Please read this safety instruction guide carefully to ensure proper use and maintenance, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the case is suitable for your specific rifle model before use.
- Regularly inspect the case for any signs of damage or wear.
- Always secure your rifle within the case to prevent movement during transport.
- Do not exceed the weight limit of the case (23.6 pounds) to maintain structural integrity.
- Keep the case away from extreme temperatures and direct sunlight to avoid material degradation.
- Store the case in a dry environment to prevent moisture accumulation.

Specific Safety Precautions for Use

- When lifting or carrying the case, use the handles provided to avoid strain or injury.
- If the case is too heavy for one person, seek assistance to lift and carry it safely.
- Avoid placing heavy objects on top of the case during transport, as this may cause damage.
- Ensure all locking mechanisms are engaged before moving the case.
- Do not use the case for any purpose other than transporting firearms and related equipment.

Instructions for Installation and Usage

1. Preparation for Use

- Open the case and remove any packing materials.
- Verify that the interior foam is intact and properly positioned to secure your rifle.

2. Placing Your Rifle in the Case

- Carefully place your rifle into the case, ensuring it is properly aligned with the foam cutouts.
- If applicable, remove any accessories that may protrude and secure them separately.

3. Securing the Rifle

- Close the case lid and ensure it seals properly.
- Engage all padlock points for added security during transport.

4. Transporting the Case

- Use the heavyduty wheels to roll the case, ensuring the path is clear of obstacles.
- When lifting, use the side handles and ensure a firm grip.

5. PostUse Care

- After use, clean the case with a damp cloth to remove dust or debris.
- Store the case in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the case responsibly according to local waste management regulations.
- If the case is damaged beyond repair, consider recycling the polypropylene material if possible.
- Do not dispose of the case in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the designated support channels. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. Your safety and the proper use of the XLong Sniper Rifle Explorer Hard Case are our top priorities.
