A Durable Carry Case for Your Pistol or Revolver

Though it's small and compact, the Explorer Single Pistol Case is purpose-built to protect your handgun or revolver from the worst the world has to offer, both in terms of weather and TSA-sponsored travel nightmares. Small and relatively lightweight, this case ensures that you can travel with a single handgun and assorted accessories with ease. Each Explorer Single Pistol Case is constructed from durable polypropylene material, which is strengthened, reinforced and sealed well enough to isolate and protect contents through harsh field conditions or particularly punishing travel experiences. The cases are waterproof, dustproof, sandproof, shockproof and crushproof. Designed particularly for military use, the cases are equipped with two reinforced-steel padlock points, and a soft, rubber carry handle makes it easy to carry.

Safety Instruction Guide for the Explorer Single Pistol Case

Introduction

Thank you for choosing the Explorer Single Pistol Case. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. The Explorer Single Pistol Case is designed to protect your handgun or revolver during travel and storage, while also complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure safe usage of the product. This case is specifically designed to protect your firearm and accessories from environmental hazards and travel-related risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall is issued, follow the instructions provided for a free remedy.
- **Online Shopping:** When purchasing online, ensure the seller meets safety requirements akin to those in physical stores.
- **Special Consumer Focus:** Be aware that this product is not intended for use by children. Keep it out of their reach.
- **EU Contact Point:** For any safety inquiries, refer to the EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Inspection Before Use:** Always inspect the case for any visible damage or defects before use. Do not use if damaged.
- **Proper Closure:** Ensure that the case is securely closed and locked when transporting your firearm.
- **Avoid Extreme Conditions:** While the case is designed to be waterproof and shockproof, avoid exposing it to extreme conditions for prolonged periods.
- **Keep Away from Children:** This product is not a toy. Ensure it is stored in a secure location out of reach of children.
- **Use Appropriate Locking Mechanisms:** Utilize the reinforced steel padlock points for added security when not in use.

Instructions for Installation and Usage

1. Unpacking the Case:

- Remove the case from the packaging.
- Inspect for any damage or missing components.

2. Loading Your Firearm:

- Open the case and place your handgun or revolver inside the padded compartment.
- Ensure that any accessories are placed securely within the designated areas.

3. Securing the Case:

- Close the case and ensure it is properly sealed.
- Lock the case using the reinforced steel padlock points for added security.

4. Carrying the Case:

- Use the soft, rubber carry handle for comfortable transportation.
- Always carry the case in a manner that prevents it from falling or being dropped.

5. **Storing the Case:**

- Store the case in a cool, dry place away from direct sunlight and moisture.
- Avoid stacking heavy objects on top of the case to prevent crushing.

Disposal Instructions

- **Recycling:** When the case reaches the end of its life, dispose of it in accordance with local recycling guidelines. Check with local authorities for specific disposal instructions for polypropylene materials.
- **Environmental Considerations:** Do not dispose of the case in regular waste. Ensure it is recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any questions or concerns regarding the Explorer Single Pistol Case, please refer to the manufacturer's contact details provided with your product or on the packaging. Always ensure that you are following the latest safety guidelines and regulations.

By following these instructions and safety guidelines, you can ensure the safe and effective use of your Explorer Single Pistol Case. Thank you for your attention to these important safety measures.
