

# AR-15 PHASE 5 DIMPLED MAGAZINE RELEASE BUTTON - PHASE 5 TACTICAL PHASE 5 MAGAZINE RELEASE BUTTON DIMPLED BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Magazine Parts](#) > [Magazine Releases](#)

The Phase 5™ PMR-Dimpled is a CNC machined 6061-T6 billet aluminum magazine release button. Easy to install, the PMR is a drop in component that replaces the Mil-Spec magazine release button. Including a dimpled design on the button face, the PMR adds style and keeps the function of a Mil-Spec button. Fits AR 5.56/.223 and 7.62/.308 receivers. FINISH: This product has a anodized finish.

# Safety Instruction Guide for Phase 5™ PMRDimpled Magazine Release Button

## Introduction

Thank you for choosing the Phase 5™ PMRDimpled Magazine Release Button. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

## General Safety Guidelines

- Ensure that all firearm modifications comply with local laws and regulations.
- Always treat your firearm as if it is loaded.
- Keep the magazine release button out of reach of children and unauthorized users.
- Inspect the product for any damage before installation. Do not use if damaged.
- Follow all manufacturer guidelines for the safe operation of your firearm.

## Specific Safety Precautions for Use

- Always wear safety glasses when handling firearms.
- Do not attempt to modify or alter the magazine release button.
- Ensure the firearm is unloaded before installing or handling the magazine release button.
- Use only compatible firearms (AR 5.56/.223 and 7.62/.308 receivers).
- Be aware of your surroundings when using the firearm to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Gather the necessary tools for installation (if any).

### 2. Installation:

- Remove the existing MilSpec magazine release button from the firearm.
- Align the Phase 5™ PMRDimpled Magazine Release Button with the installation slot.
- Press the button into place until it is securely fitted.

### 3. Usage:

- To release the magazine, press the dimpled face of the button.
- Practice using the magazine release button in a safe environment until you are comfortable with its operation.

### 4. PostInstallation Check:

- After installation, check that the magazine release button operates smoothly.
- Ensure there are no obstructions that could interfere with its function.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.

- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Phase 5™ PMRDimpled Magazine Release Button, please reach out to the manufacturer or your point of purchase for assistance.

## **Conclusion**

Your safety is of utmost importance. By following the guidelines and instructions provided in this document, you can ensure a safe and effective experience with your Phase 5™ PMRDimpled Magazine Release Button. Always prioritize safety and stay informed about best practices for firearm handling and maintenance.
