# REMINGTON 870/1100 Safety Honey Comb Pattern User Manual

## Introduction

Thank you for choosing the REMINGTON 870/1100 Safety Honey Comb Pattern by Innovative Industries. This manual provides essential safety instructions and guidelines for the safe use of this product. Please read this document carefully to ensure proper handling and to maximize your safety.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the safety.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect the safety for any signs of wear or damage.
- Do not modify the safety or firearm in any way that could compromise their integrity.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the safety.
- Do not use the safety if it is damaged or malfunctioning.
- Avoid using excessive force when installing or adjusting the safety.
- Ensure that the safety is fully engaged before handling the firearm.
- Be aware of your surroundings and ensure that no one is in harm's way when handling the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Locate the safety mechanism on your REMINGTON 870/1100.
- Remove the existing safety, if applicable, following the manufacturer's instructions.
- Insert the REMINGTON 870/1100 Honey Comb Pattern safety into the designated slot.
- Ensure that the safety is seated properly and securely.
- Test the safety mechanism to ensure it engages and disengages smoothly.

### 2. Usage:

- To engage the safety, push the button until it clicks into place.
- To disengage the safety, press the button again until it clicks out of place.
- Always check that the safety is functioning properly before use.

## Disposal Instructions

- When disposing of the safety, follow local regulations regarding the disposal of metal products.
- Ensure that the safety is rendered unusable before disposal to prevent accidental use.

## Contact Information for Further Support

For any safety inquiries or concerns, please contact your local distributor or the manufacturer's customer service. Ensure you have your product details available for reference.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe use of your REMINGTON 870/1100 Safety Honey Comb Pattern. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important safety measures.
