

KELTEC KSG LIGHT MOUNT W/ HANDSTOP M-LOK - MIDWEST INDUSTRIES KELTEC KSG LIGHT MOUNT W/ HANDSTOP M-LOK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

A Light Mount for Your KSG Shotgun

This dual-purpose addition to your Kel-Tec KSG shotgun makes it possible to add an illumination tool for low-light use while also protecting your support hand when using this compact, bullpup-style firearm. Each Kel-Tec KSG Light Mount attaches to the Picatinny rail included on the shotgun and provides 2.5 M-LOK attachment slots on either side for additional accessory attachment. The unit also provides a hand-stop that prevents your support hand from slipping in front of the muzzle while cycling the action on the gun. The Kel-Tec KSG Light Mount is machined from 6061 aluminum and features an all-black anodized finish to protect against wear and corrosion. All mounting hardware is included, and the total weight on the unit is 4.4 ounces.

KELTEC KSG LIGHT MOUNT W/ HANDSTOP MLOK

Safety Instruction Guide

Introduction

Thank you for choosing the KELTEC KSG Light Mount with Handstop MLOK. This product is designed to enhance the functionality of your KelTec KSG shotgun by providing a secure attachment point for illumination tools and a handstop for safe handling. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your KelTec KSG shotgun before installing or using this light mount.
- Always follow the manufacturer's instructions for your shotgun and any accessories.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the light mount for any signs of wear or damage before each use.
- Do not use the light mount if it is damaged or if any mounting hardware is missing.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when not in use.
- Ensure that the light source attached to the mount is securely fastened before use.
- Do not place your support hand in front of the muzzle while cycling the action on the gun.
- Be aware of your surroundings and ensure that there is a safe backstop when using your firearm.
- If you notice any unusual behavior or performance from the light mount or your shotgun, cease use immediately and inspect the equipment.

Instructions for Installation and Usage

Installation

1. **Prepare the Shotgun:** Ensure that the KelTec KSG shotgun is unloaded and pointed in a safe direction.
2. **Locate the Picatinny Rail:** Identify the Picatinny rail on your shotgun where the light mount will be attached.
3. **Attach the Light Mount:**
 - Align the light mount with the Picatinny rail.
 - Slide the mount onto the rail until it is securely in place.
 - Use the provided mounting hardware to tighten the mount securely.
4. **Check Stability:** Ensure that the light mount is firmly attached and does not move when pulled.

Usage

- When using the light mount, attach your preferred illumination tool securely to the MLOK slots.
- Use the handstop feature to maintain a safe grip and prevent slipping during operation.
- Always verify that the illumination tool is functioning correctly before use.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the KELTEC KSG Light Mount with Handstop MLOK, please refer to the manufacturer's customer service resources or your local retailer.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your KELTEC KSG Light Mount with Handstop MLOK. Always prioritize safety and responsible handling when using your firearm and its accessories.
