

# GRIPSTOP PICATINNY ALUMINUM - TRUE NORTH CONCEPTS

## GRIPSTOP ALUMINUM PICATINNY EARTH BROWN

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

### A Gripstop Designed for Our Troops

True North Concepts redesigned its innovative Gripstop to be better than ever before, and this helpful forend stop is even built with our troops in mind, giving them an attachment system that's easier to use with available tools in the field. All those features are a benefit to the civilian shooter as well! Each True North Concepts Gripstop is designed to attach to any standard Picatinny rail. Rather than using the standard Allen key attachment screws, though, this Gripstop uses a flat-tip screw head, which allows the unit to be mounted or tightened using a standard flathead screwdriver, multitool or any other flat blade. The True North Concepts Gripstop is machined from 6061 aluminum and weighs just 1.7 ounces. The unit is available in either black or Earth-Brown anodized finishes, and all the hardware is treated with a corrosion-resistant Nitride finish.

### Attributes

- Name: [TRUE NORTH CONCEPTS GRIPSTOP ALUMINUM PICATINNY EARTH BROWN](#)
- Manufacturer: [TRUE NORTH CONCEPTS](#)
- Product no.: 100036442
- Mfr. No.: GSP02

# Safety Instruction Guide for GRIPSTOP PICATINNY ALUMINUM TRUE NORTH CONCEPTS GRIPSTOP ALUMINUM PICATINNY EARTH BROWN

## Introduction

Thank you for choosing the GRIPSTOP PICATINNY ALUMINUM by True North Concepts. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of the product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a forend stop on a Picatinny rail.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate tools and follow the instructions carefully during installation to avoid accidents.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified weight limit for attachments.
- Ensure that the Gripstop is securely mounted to prevent it from loosening during use.
- Avoid using excessive force when tightening screws to prevent stripping.
- Do not modify the product in any way, as this may compromise its safety and performance.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.

## Instructions for Installation and Usage

### Installation

#### 1. Gather Required Tools

- Flathead screwdriver or multitool.

#### 2. Prepare the Picatinny Rail

- Ensure that the Picatinny rail is clean and free of debris.

#### 3. Attach the Gripstop

- Align the Gripstop with the desired position on the Picatinny rail.
- Insert the flattip screw into the attachment point.
- Use the flathead screwdriver to tighten the screw until secure, but do not overtighten.

#### 4. Check Stability

- Once installed, gently pull on the Gripstop to ensure it is firmly attached.

### Usage

- Use the Gripstop as a forward grip to stabilize your firearm during use.
- Maintain a proper grip and stance while using the firearm with the Gripstop.
- Regularly check the Gripstop for security and wear during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, recycle the aluminum components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your GRIPSTOP PICATINNY ALUMINUM. Thank you for your attention to safety, and enjoy your product.
