

BILLET HEIGHT ADJUSTABLE BASE FOR AUTO TRICKLER - AREA 419

BILLET HEIGHT ADJUSTABLE BASE FOR AUTO TRICKLER

[Reloading](#) > [Powder Handling](#) > [Powder Measures & Dispensers](#)

An Adjustable Based for Your Auto Powder Trickler

Improving on the 3D-printed base that ships with the popular Auto Trickler powder trickler, this billet-aluminum base is CNC-machined and built with an adjustable thumb-wheel, which allows for pitch adjustment. The added weight of the base also provides a much more stable base for enhanced accuracy and stability. This Area 419 Billet Height Adjustable Base designed for the Auto Trickler will work on V2 and V3 models of the powder trickler. The Auto Trickler powder trickler is not included with the base.

Safety Instruction Guide for BILLET HEIGHT ADJUSTABLE BASE FOR AUTO TRICKLER

Introduction

Thank you for choosing the BILLET HEIGHT ADJUSTABLE BASE FOR AUTO TRICKLER from AREA 419. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the base out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact the manufacturer.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the base on a stable, flat surface to prevent tipping or instability.
- Do not exceed the weight limit specified by the manufacturer.
- Ensure the thumbwheel is securely adjusted before use to avoid accidental changes in pitch.
- Avoid placing any objects on the base while it is not in use to prevent accidents.
- Do not attempt to modify or disassemble the base, as this may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Unpack the BILLET HEIGHT ADJUSTABLE BASE and ensure all components are included.
- Place the base on a stable surface where it will be used.
- Adjust the thumbwheel to the desired height and pitch. Ensure it is securely locked in place.
- Confirm that the base is level and stable before proceeding to use the Auto Trickler.

2. Usage:

- The base is compatible with V2 and V3 models of the Auto Trickler.
- Carefully place the Auto Trickler onto the base, ensuring it is securely fitted.
- Follow the Auto Trickler's instructions for operation.
- After use, remove the Auto Trickler from the base and store both items safely.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
Enjoy using your BILLET HEIGHT ADJUSTABLE BASE FOR AUTO TRICKLER!
