AUTO TRICKLER SELF CENTERING TRAY FOR A&D FX SCALES Safety Instruction Guide

Introduction

Thank you for choosing the AREA 419 Auto Trickler SelfCentering Tray for A&D FX Scales. This product is designed to enhance your Autotricker setup by providing a reliable and precise weighing experience. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is compatible with your specific model of A&D FX scale (compatible up to V3, not compatible with V4).
- Regularly inspect the product for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit for the powder cup when using the tray.
- **Stability:** Ensure that the scale is placed on a stable, flat surface to prevent tipping or spilling.
- **Avoid Overloading:** Do not overload the tray or scale beyond their specified capacities to prevent damage or inaccurate readings.
- **Proper Handling:** Handle the tray carefully to avoid any sharp edges or potential injury.
- **Use of Accessories:** Only use the tray with compatible accessories as specified in the product documentation.

Instructions for Installation and Usage

1. Installation:

- Remove the existing platen from your A&D FX scale.
- Align the tapered spud of the Auto Trickler SelfCentering Tray with the scale's mounting point.
- Securely install the tray by pressing it into place until it fits snugly.
- Ensure that the tray is centered and stable before proceeding to use.

2. Usage:

- Place the Billet Powder Cup in the center of the tray.
- Ensure that the powder cup is properly seated in the notch designed to hold it in place.
- Adjust the scale settings according to the manufacturer's guidelines before weighing.
- Monitor the weight readings to ensure accuracy and stability during use.

3. PostUse Care:

- After use, remove the powder cup and clean the tray as needed.
- Store the tray in a dry, safe place to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum recycling.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, ensure it is recycled properly to minimize environmental impact.

Contact Information for Further Support

For any questions regarding safety, usage, or installation of the Auto Trickler SelfCentering Tray, please consult the manufacturer's website or seek assistance from a qualified professional.

Thank you for prioritizing safety while using the AREA 419 Auto Trickler SelfCentering Tray for A&D FX Scales. Your adherence to these guidelines will help ensure a safe and effective weighing experience.
