Safety Instruction Guide for SAP Two Round Holder

Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to securely hold additional rounds of ammunition, providing you with quick access when needed. To ensure your safety and the optimal use of this product, please carefully read and follow the guidelines outlined in this document.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the holder for wear and tear before each use.
- Keep the holder out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to local authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.
- Always follow local laws and regulations regarding ammunition storage and handling.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper attachment may cause the holder to detach during use, leading to potential injury or loss of ammunition.
 - Ensure the holder is compatible with your ammunition type and size.
- **Avoiding Hazards:**
 - Clean the stock of your rifle thoroughly with a good quality rubbing alcohol (91% preferred) before attaching the holder.
 - Allow the cleaned surface to dry completely to ensure proper adhesion of the Velcro.
 - Do not overload the holder beyond its capacity of two rounds.
- **AgeSpecific Warning:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. **Preparation:**
 - Gather the necessary materials: SAP Two Round Holder, rubbing alcohol, and a clean cloth.
2. **Cleaning the Surface:**
 - Use rubbing alcohol to clean the area of the rifle where you intend to attach the holder.
 - Apply the alcohol to a clean cloth and wipe the surface thoroughly.
 - Allow the area to dry completely before proceeding.
3. **Attaching the Holder:**
 - Remove the backing from the Velcro piece attached to the holder.
 - Firmly press the holder onto the cleaned area of the rifle near the ejection port.

- Ensure that it is securely attached and that the Velcro adheres properly.

4. Loading the Holder:

- Insert two rounds of ammunition into the holder, ensuring they are seated securely.
- Verify that the holder is not overloaded and that the rounds are appropriate for the holder type.

5. Using the Holder:

- Access the rounds as needed by gently pulling them from the holder.
- After use, check the holder for any signs of wear or damage.

Disposal Instructions

- Dispose of the SAP Two Round Holder according to local regulations for nonhazardous waste.
- If the holder is damaged or no longer in use, ensure it is disposed of in a way that prevents any potential misuse.

Contact Information for Further Support

For any questions or concerns regarding the SAP Two Round Holder, please reach out to your retailer or manufacturer for assistance. Ensure that you have your product information available for quicker support.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with the SAP Two Round Holder.
