# Safety Instruction Guide for SAP Two Round Holder

## Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to securely hold two additional rounds of ammunition for quick access during shooting activities. This guide provides important safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the Two Round Holder is securely attached before use to prevent accidental loss of ammunition.
- Regularly inspect the holder for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Ensure that the area where the holder is used is safe and free from hazards.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible case bodies:
  - .308 Holder fits case bodies 0.450" to 0.550" in diameter.
  - .223 Holder fits case bodies 0.340" to 0.440" in diameter.
  - Magnum Holder fits case bodies 0.550" to 0.800" in diameter (e.g., 6.5 SAUM, .338 Lapua, up to .50 BMG).
- Ensure that the holder is attached away from the ejection port to avoid any interference during firing.
- Clean the stock of your rifle with a highquality rubbing alcohol (91% preferred) before installation to ensure proper adhesion of the Velcro.
- Allow the stock to dry completely before attaching the holder.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the rifle stock with rubbing alcohol and let it dry completely.

### 2. Attaching the Holder:

- Peel the backing off the industrial strength Velcro piece.
- Firmly press the Velcro onto the desired location on the rifle stock, ensuring it is close to the ejection port but not obstructing it.
- Allow the Velcro to adhere for at least 24 hours before use.

### 3. Loading Ammunition:

- Insert the rounds into the holder, ensuring they are seated securely.
- Check that the rounds are easily accessible but secure enough to prevent accidental dislodging.

### 4. Using the Holder:

- When in need of additional rounds, simply retrieve them from the holder while maintaining control of your rifle.

- Always follow local laws and regulations regarding the carrying and use of ammunition.

## **Disposal Instructions**

- Dispose of the Two Round Holder in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions regarding safety, usage, or product concerns, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the SAP Two Round Holder!
