Safety Instruction Guide for SAP Two Round Holder

Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to securely hold additional rounds of ammunition for quick access while ensuring safe use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only as intended, which is to hold ammunition securely.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle ammunition with care and follow all safety protocols related to firearms.
- Inspect the holder regularly for wear and damage. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of the holder.
- Ensure that the Velcro attachment is securely fastened before use to prevent accidental detachment.
- Clean the stock of your rifle thoroughly with a good quality rubbing alcohol (91% preferred) before attaching the holder to ensure proper adhesion.
- Allow the cleaned surface to dry completely before attaching the holder.
- Avoid using the holder in extreme weather conditions that may affect the adhesive or the integrity of the product.
- Do not use the holder while the firearm is loaded unless you are in a safe and controlled environment.

Instructions for Installation and Usage

1. Preparation:

- Clean the stock of your rifle using a good quality rubbing alcohol (91% preferred).
- Allow the surface to dry completely.

2. Attaching the Holder:

- Remove the backing from the industrial strength Velcro piece.
- Position the holder on the side of the rifle near the ejection port.
- Firmly press the holder against the cleaned surface to ensure a secure attachment.

3. Loading Ammunition:

- Carefully insert rounds into the holder, ensuring they are seated properly.
- Do not exceed the capacity of two rounds.

4. Removing the Holder:

- To remove the holder, gently peel it away from the stock.
- If necessary, clean any residue left by the adhesive with a suitable cleaner.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options if available.
