# Safety Instruction Guide for SAP Two Round Holder

## Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to securely hold two extra rounds of ammunition where you need them most. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle ammunition and firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the holder for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the holder with compatible case bodies:
  - .308 Holder: 0.450" to 0.550" in diameter
  - .223 Holder: 0.340" to 0.440" in diameter
  - Magnum Holder: 0.550" to 0.800" in diameter (e.g., 6.5 SAUM, .338 Lapua, .50 BMG)
- Ensure the holder is securely attached to the rifle before use.
- Clean the stock of the rifle with a good quality rubbing alcohol (91% preferred) and allow it to dry completely before attaching the Velcro.
- Do not expose the holder to extreme temperatures or moisture, which could affect the adhesive strength.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the area of the rifle where the holder will be attached with rubbing alcohol.
- Allow the surface to dry completely to ensure proper adhesion.

### 2. Attaching the Holder:

- Peel off the backing of the industrial strength Velcro piece provided with the holder.
- Firmly press the Velcro onto the cleaned area of the rifle, ensuring it is secure.

### 3. Loading Ammunition:

- Insert the compatible ammunition into the holder, ensuring they fit snugly.
- Check that the rounds are securely held in place before using the rifle.

### 4. Using the Rifle:

- Always follow standard safety practices when handling and firing the rifle.
- Ensure the holder does not obstruct any operational parts of the rifle.

### 5. Removing the Holder:

- If you need to remove the holder, gently pull it away from the surface.

- Clean the area afterward if needed to remove any adhesive residue.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product details, please contact the manufacturer directly. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety and responsibility while using the SAP Two Round Holder. Enjoy your shooting experience!
