# Safety Instruction Guide for the SAP Two Round Holder

## Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to hold an extra two rounds of ammunition securely and conveniently near your rifle's ejection port. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions and safety precautions.
- Be aware of the potential hazards associated with handling ammunition and firearms.
- Always store the product in a safe location, away from children and unauthorized users.
- Regularly check the product for any signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle firearms and ammunition with care and follow standard safety practices.
- Ensure the rifle is unloaded before attaching or removing the Two Round Holder.
- Clean the rifle stock with a good quality rubbing alcohol (91% preferred) before installation.
- Allow the cleaned surface to dry completely to ensure proper adhesion of the Velcro.
- Do not exceed the recommended capacity of two rounds in the holder.
- Avoid using the product in wet or extreme conditions that may affect the adhesion of the Velcro.
- Keep the Two Round Holder away from heat sources and direct sunlight to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation

- Clean the rifle stock with rubbing alcohol and let it dry completely.

### 2. Attachment

- Peel the backing off the industrial strength Velcro piece provided with the Two Round Holder.
- Firmly press the Velcro piece onto the cleaned area of the rifle stock, near the ejection port.
- Allow the Velcro to adhere for at least 24 hours before using the holder.

### 3. Loading Ammunition

- Insert up to two rounds of ammunition into the holder.
- Ensure the rounds are seated securely in the holder.

### 4. Removal

- To remove the Two Round Holder, gently pull it away from the rifle stock.
- If necessary, clean any residue left by the Velcro with rubbing alcohol.

## Disposal Instructions

- Dispose of the Two Round Holder in accordance with local regulations.
- If the product is damaged or no longer usable, do not attempt to repair it. Discard it responsibly.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the SAP Two Round Holder, please contact the manufacturer or your local distributor.

By following these guidelines, you can ensure safe and effective use of the SAP Two Round Holder. Thank you for your attention to safety.
