# Consumer Safety Instruction Guide for SAP Two Round Holder

## Introduction

Thank you for choosing the SAP Two Round Holder by Short Action Precision Inc. This product is designed to securely hold two additional rounds of ammunition, providing easy access when you need it most. This guide contains important safety information and instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the Two Round Holder by following these guidelines:
  - Always handle ammunition and firearms responsibly and in accordance with local laws and regulations.
  - Regularly inspect the holder for signs of wear or damage before each use.
  - Keep the holder and ammunition out of reach of children and unauthorized users.
  - Report any unsafe conditions or incidents involving the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the Two Round Holder, please consider the following safety precautions:
  - Clean the stock of your rifle with a highquality rubbing alcohol (91% preferred) prior to installation to ensure proper adhesion of the Velcro.
  - Allow the stock to dry completely after cleaning to avoid adhesion failure.
  - Ensure the holder is securely attached before placing ammunition inside.
  - Do not exceed the recommended case diameter specifications for each holder type:
    - .308 Holder: 0.450" to 0.550"
    - .223 Holder: 0.340" to 0.440"
    - Magnum Holder: 0.550" to 0.800"
  - Avoid using the holder in extreme temperatures or conditions that may affect its adhesive properties.

## Instructions for Installation and Usage

- Follow these steps to properly install and use the Two Round Holder:

### 1. Preparation:

- Clean the area of your rifle where you intend to attach the holder using rubbing alcohol.
- Ensure the surface is dry and free from dust or debris.

### 2. Attachment:

- Remove the backing from the Velcro piece included with your Two Round Holder.
- Firmly press the Velcro onto the cleaned area of the rifle stock, ensuring it adheres completely.

### 3. Loading Ammunition:

- Once the holder is securely attached, insert the appropriate ammunition into the holder.
- Ensure that the rounds are seated properly and do not exceed the holder's capacity.

#### **4. Usage:**

- The Two Round Holder can be used on either side of the rifle, depending on your preference and accessibility.
- Always check that the holder is secure before using your rifle.

## **Disposal Instructions**

- Dispose of the Two Round Holder responsibly:
  - If the product is damaged or no longer needed, dispose of it in accordance with local regulations for plastic and adhesive materials.
  - Do not incinerate or expose the product to extreme heat, as this may release harmful substances.

## **Contact Information for Further Support**

- For any inquiries regarding the safety or use of the SAP Two Round Holder, please contact the manufacturer or your local distributor. Ensure that you have your product details ready for reference.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the SAP Two Round Holder. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for choosing Short Action Precision Inc.
