# Safety Instruction Guide for the SAP Two Round Holder

## Introduction

Thank you for choosing the SAP Two Round Holder by Short Action Precision Inc. This product is designed to securely hold two extra rounds of ammunition, ensuring you have quick access when needed. Please read this safety instruction guide carefully to ensure safe usage and installation.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the holder out of reach of children and vulnerable individuals.
- Regularly check the holder for wear or damage before each use.
- If the holder is damaged or shows signs of wear, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not overload the holder beyond its capacity of two rounds.
- Ensure that the ammunition used is compatible with the holder specifications.
- Clean the stock of your rifle thoroughly before attaching the holder to ensure proper adhesion.
- Use only highquality rubbing alcohol (91% preferred) for cleaning the stock.
- Allow the cleaned surface to dry completely before attaching the holder.
- Avoid exposing the holder to extreme temperatures or direct sunlight for extended periods.
- Do not attempt to modify or alter the holder in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the stock of your rifle with a good quality rubbing alcohol (91% preferred).
- Ensure that the surface is dry completely before proceeding.

### 2. Attaching the Holder:

- Remove the adhesive backing from the industrialstrength Velcro piece.
- Position the holder on the side of your rifle near the ejection port.
- Press firmly to ensure a secure attachment.

### 3. Loading Ammunition:

- Insert two rounds into the holder, ensuring they are seated securely.
- Check that the rounds are properly aligned and do not protrude excessively from the holder.

### 4. Removing the Holder:

- To remove the holder, gently peel it away from the stock. Avoid pulling forcefully to prevent damage to the stock.

### 5. Storage:

- When not in use, store the holder in a cool, dry place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the holder in regular household waste if it is damaged.
- Consider recycling options for the materials, if applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAP Two Round Holder, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your SAP Two Round Holder. Thank you for your attention to these important guidelines.
