Safety Instruction Guide for SAP Two Round Holder Magnum, OD Green

Introduction

Thank you for choosing the SAP Two Round Holder Magnum. This product is designed to securely hold an extra two rounds of ammunition, providing convenient access when needed. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Regularly inspect the Two Round Holder for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- In the event of any accidents or unsafe conditions, report them to the appropriate authorities.
- Stay informed about any product recalls or safety alerts by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to the holder detaching during use, which could result in loss of ammunition.
 - The product is not designed for use with ammunition types outside the specified diameters.
- **Avoiding Hazards:**
 - Ensure the surface area is clean and dry before attaching the holder.
 - Do not overload the holder beyond its capacity of two rounds.
 - Always check that the holder is securely attached to the rifle before use.

Instructions for Installation and Usage

1. Preparation:

- Clean the stock of your rifle with a highquality rubbing alcohol (91% preferred).
- Allow the surface to dry completely to ensure proper adhesion.

2. Attaching the Holder:

- Remove the backing from the industrialstrength Velcro piece provided with the holder.
- Firmly press the holder onto the clean and dry area of the rifle stock, near the ejection port.
- Ensure that the holder is securely attached and that the Velcro has adhered properly.

3. Loading Ammunition:

- Place the rounds into the holder, ensuring they fit securely.
- The .308 Holder accommodates case bodies from 0.450" to 0.550" in diameter.
- The .223 Holder accommodates case bodies from 0.340" to 0.440" in diameter.
- The Magnum Holder accommodates case bodies from 0.550" to 0.800" in diameter, suitable for calibers such as 6.5 SAUM, .338 Lapua, and up to .50 BMG.

4. Removing the Holder:

- If you need to remove the holder, gently peel it away from the rifle stock.
- Avoid using excessive force to prevent damage to the stock.

Disposal Instructions

- Dispose of the Two Round Holder in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the SAP Two Round Holder Magnum, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SAP Two Round Holder Magnum responsibly.
