# Safety Instruction Guide for SAP Two Round Holder Magnum, Coyote

## Introduction

Thank you for choosing the SAP Two Round Holder Magnum, Coyote. This product is designed to securely hold extra rounds of ammunition for quick access during shooting activities. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle ammunition and firearms with care.
- Ensure that the product is used in a safe environment, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and storage of ammunition and firearms.
- In case of an emergency, report unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the specified capacity of the holder (2 rounds).
- Ensure that the ammunition used is compatible with the holder sizes:
  - .308 Holder fits case bodies 0.450" to 0.550" in diameter.
  - .223 Holder fits case bodies 0.340" to 0.440" in diameter.
  - Magnum Holder fits case bodies 0.550" to 0.800" in diameter (e.g., 6.5 SAUM, .338 Lapua, up to .50 BMG).
- Always clean the stock of your rifle with highquality rubbing alcohol (91% preferred) and ensure it is completely dry before attaching the holder.
- Avoid exposing the holder to extreme temperatures or harsh environmental conditions that may affect its performance.
- If the holder becomes damaged or shows signs of wear, discontinue use immediately and replace it.

## Instructions for Installation and Usage

1. **Preparation:** Clean the area of your rifle where the holder will be attached using rubbing alcohol. Allow it to dry completely.
2. **Attachment:**
  - Remove the backing from the industrial strength Velcro piece provided with the holder.
  - Firmly press the Velcro piece onto the cleaned surface of your rifle near the ejection port.
3. **Placement of Rounds:**
  - Insert the rounds into the holder, ensuring they fit securely within the specified diameter ranges.
  - Ensure that the rounds are seated properly and are not loose.
4. **Testing:**
  - Gently tug on the holder to ensure it is securely attached to the rifle.
  - Check the rounds to confirm they are held firmly in place.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the holder in general waste if it is damaged or contains hazardous materials.
- Consider recycling the materials if applicable.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the SAP Two Round Holder Magnum, please reach out to the designated EU contact point provided with your purchase.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly!
