# Safety Instruction Guide for SAP Two Round Holder Magnum, MultiCam

## Introduction

Thank you for choosing the SAP Two Round Holder Magnum, MultiCam. This product is designed to hold two additional rounds securely and conveniently, ensuring you are always prepared in critical situations. Please read this safety instruction guide carefully to ensure the safe and effective use of your product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or removing the holder.
- Avoid placing the holder in areas where it may interfere with the operation of the firearm.
- Ensure that the holder is securely attached before use to prevent accidental detachment.
- Do not exceed the recommended capacity of the holder.
- Clean the firearm stock with a good quality rubbing alcohol (91% preferred) and ensure it is completely dry before applying the Velcro for proper adhesion.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the stock of your firearm thoroughly using rubbing alcohol. Allow it to dry completely to ensure proper adhesion of the Velcro.

### 2. Attaching the Holder:

- Remove the backing from the Velcro piece attached to the holder.
- Press the Velcro firmly against the cleaned area of the firearm stock, ensuring it is securely attached.

### 3. Loading Rounds:

- Insert the rounds into the holder, ensuring they fit snugly.
- The .308 Holder fits case bodies 0.450" to 0.550" in diameter.
- The .223 Holder fits case bodies 0.340" to 0.440" in diameter.
- The Magnum Holder fits case bodies 0.550" to 0.800" in diameter, suitable for rounds such as 6.5 SAUM, .338 Lapua, and up to .50 BMG.

### 4. Usage:

- When in use, ensure that the holder does not obstruct your ability to operate the firearm safely.
- Check the holder periodically during use to ensure it remains secure.

## **Disposal Instructions**

When disposing of the product, follow these guidelines: \* Dispose of the product in accordance with local regulations regarding plastic and textile waste. \* Ensure that any rounds or ammunition are disposed of safely and in compliance with local laws.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the SAP Two Round Holder Magnum, please reach out to the manufacturer or refer to the product packaging for contact details.

By following these safety instructions, you can ensure the safe and effective use of the SAP Two Round Holder Magnum, MultiCam. Thank you for your attention to these important guidelines.
