# Safety Instruction Guide for the 22 Magazine Holder Short Action Precision Inc

## Introduction

Thank you for choosing the 22 Magazine Holder Short Action Precision Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine holder. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the magazine holder is compatible with your specific .22 magazine model before installation.
- Always handle firearms with care and follow all safety protocols when using this product.
- Keep the magazine holder and any attached magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine holder for wear and tear, and replace it if any damage is found.
- In case of any issues or concerns regarding the product, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not overload the magazine holder with more than one magazine.
- Ensure the magazine is properly secured in the holder before handling the firearm.
- Avoid exposing the magazine holder to extreme temperatures or harsh chemicals, as this may compromise its integrity.
- Always store firearms and ammunition in a secure location when not in use.
- Be aware of your surroundings and ensure that the area is safe before accessing the magazine holder.

## Instructions for Installation and Usage

### 1. Installation

- Clean the area of the rifle where the magazine holder will be attached to ensure a secure fit.
- Peel the Velcro backing off the magazine holder.
- Firmly press the magazine holder onto the side of the rifle near the ejection port.
- Ensure that the holder is securely attached and does not move.

### 2. Usage

- To insert a magazine, simply slide it into the holder until it clicks into place.
- To remove a magazine, gently pull it out of the holder.
- Always check that the magazine is properly seated in the holder before accessing it during use.

## Disposal Instructions

- Dispose of the magazine holder responsibly in accordance with local regulations.
- Do not throw the product in regular household waste if it contains hazardous materials.
- If the product is damaged, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please refer to the manufacturer's support resources or your local regulatory authority.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority.
