# Safety Instruction Guide for the Positional Rifle Sling

## Introduction

Thank you for choosing the Short Action Precision Positional Rifle Sling. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle sling. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that the sling is properly attached to your firearm before use.
- Inspect the sling before each use for signs of wear or damage.
- Do not exceed the recommended load capacity of the sling.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Use the sling only for its intended purpose.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- The noose cuff should fit snugly but not restrict blood flow. Adjust for comfort before use.
- Avoid using the sling in wet or slippery conditions to prevent accidents.
- Be aware of your surroundings and ensure a clear line of sight when using the sling.
- Do not use the sling for any purpose other than supporting your firearm during shooting.
- If you experience any discomfort while using the sling, remove it immediately.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded before attaching the sling.
- Locate the attachment points on your firearm.
- Securely attach the sling to the designated points, ensuring it is fastened properly.

### 2. Usage

- Adjust the front strap to achieve the desired tension and elevation.
- Place your arm through the noose cuff and tighten it securely around your arm.
- When finished shooting, use the quick escape buckle to release the arm cuff.
- Store the sling in a dry place when not in use.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, cut it into pieces to prevent reuse.
- Recycle materials where possible.
