Position Rifle Sling Safety Instruction Guide

Introduction

Thank you for choosing the Short Action Precision Positional Rifle Sling. This guide provides essential safety instructions to ensure the safe and effective use of your rifle sling. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the sling is used only for its intended purpose.
- Always check the sling for any signs of wear or damage before each use.
- Never exceed the manufacturer's recommended weight limit.
- Keep the sling out of reach of children when not in use.
- Report any unsafe conditions or incidents related to the sling to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the noose cuff fits securely around your arm without being too tight. This will provide a solid foundation for shooting.
- **Adjustment:** Use the quick adjust front strap to achieve the desired tension and elevation. Make adjustments before taking a shot to ensure stability.
- **Exit the Cuff:** After taking a shot, use the quick escape buckle to release the arm cuff swiftly.
- **Shooting Position:** Always adopt a stable kneeling or seated position when using the rifle sling to minimize the risk of injury.
- **Environmental Awareness:** Be aware of your surroundings and ensure a clear line of sight when aiming and shooting.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the rifle using the provided attachment points, ensuring that it is securely fastened.
- Adjust the length of the sling as needed to fit your shooting style and preferences.

2. Usage:

- Place the noose cuff around your arm, adjusting it to ensure a snug fit.
- Use the quick adjust front strap to modify the tension according to your shooting needs.
- When ready to shoot, ensure that you are in a stable position (either kneeling or seated).
- After shooting, release the cuff using the quick escape buckle to exit smoothly.

Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile waste.
- If the sling is damaged or no longer usable, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Short Action Precision Positional Rifle Sling, please refer to the manufacturer's contact information provided with the product packaging.
