FN 509 Heavy Duty Striker Safety Instruction Guide

Introduction

Thank you for choosing the Apex Heavy Duty Striker for your FN 509 or FNS series pistol. This guide provides essential safety instructions and general information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure that all nonfood products, including this striker, are used as intended. Follow all instructions to mitigate risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning the product or receiving a remedy.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety requirements, similar to those in physical stores.
- **Special Consumer Focus:** Extra caution is advised when handling firearms. Keep this product away from children and ensure it is stored safely.
- **EU Contact Point:** For any safety inquiries related to this product, reach out to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU's Safety Gate system. Regularly check for any alerts regarding this product.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Apex Heavy Duty Striker is compatible with your specific FN 509 or FNS series model before installation.
- **Installation Environment:** Perform installation in a clean and welllit area to prevent loss of small components.
- **Protective Gear:** Wear safety glasses and gloves during installation to protect yourself from potential injuries.
- **Check for Damage:** Inspect the striker for any visible damage or defects before installation. Do not use a damaged striker.
- **Firearm Safety:** Always treat your firearm as if it is loaded. Ensure the firearm is pointed in a safe direction when handling.

Instructions for Installation and Usage

1. **Gather Required Tools:** Before starting, ensure you have the necessary tools, including a punch tool and a small hammer.
2. **Disassemble the Firearm:**
 - Ensure the firearm is unloaded.
 - Follow the manufacturer's instructions to disassemble the FN 509 or FNS series pistol.
3. **Remove the Existing Striker:**
 - Locate the factory striker components: striker spring stop, striker spring stop pin, striker return spring, and striker spring guide.
 - Carefully remove the existing striker by following the disassembly instructions.
4. **Install the Apex Heavy Duty Striker:**
 - Insert the new striker in place of the old one.
 - Ensure that all factory striker components are properly reinstalled.
5. **Reassemble the Firearm:**
 - Follow the manufacturer's instructions to reassemble the firearm.

- Ensure everything is securely in place before proceeding.

6. Test Functionality:

- After reassembly, conduct a function check to ensure the striker operates correctly.
- Always perform this check in a safe environment.

Disposal Instructions

- **Proper Disposal:** If you need to dispose of the Apex Heavy Duty Striker, follow local regulations for the disposal of metal products.
- **Recycling:** Consider recycling the striker and any associated components if possible. Check with local recycling centers for guidelines.

Contact Information for Further Support

For additional support or inquiries regarding the Apex Heavy Duty Striker, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective experience with your FN 509 Heavy Duty Striker. Thank you for your attention to safety.
