Adapt your bolt to a standard male thread with these stainless bolt handle adapters. They are lathe spun and threaded to a Class 3 fit, and allow you to use most aftermarket bolt knobs. These have become necessary in the last few years as action makers go to smaller stock in their bolt-making process and use female attachment points on a shorter handle.

Introduction

Thank you for purchasing the BIGHORN TL3/ORIGIN Steel 5/16X24 Bolt Knob Adapter from AREA 419. This guide provides important safety instructions and general information to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

To ensure your safety and the safe use of the BIGHORN TL3/ORIGIN Bolt Knob Adapter, please adhere to the following guidelines:

- Always inspect the product for any visible damage before use.
- Ensure that the adapter is compatible with your specific bolt model.
- Follow all installation instructions carefully to avoid improper fitting.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for any recalls or safety updates related to this product via the EU Safety Gate platform.

Specific Safety Precautions for Use

When using the BIGHORN TL3/ORIGIN Bolt Knob Adapter, please observe the following precautions:

- Use the adapter only for its intended purpose, which is to adapt your bolt to a standard male thread.
- Do not modify the adapter in any way, as this may compromise its safety and functionality.
- Ensure that the bolt knob you are using is securely attached to the adapter before operating your firearm.
- Avoid using excessive force when installing or removing the adapter to prevent damage.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

To ensure proper installation and usage of your BIGHORN TL3/ORIGIN Bolt Knob Adapter, follow these steps:

1. Preparation:

- Gather all necessary tools for installation, including a wrench that fits the adapter.
- Ensure that your workspace is clean and free from distractions.

2. Installation:

- Remove the existing bolt knob from your firearm's bolt.
- Carefully thread the BIGHORN TL3/ORIGIN Bolt Knob Adapter onto the bolt using the appropriate tool.
- Tighten the adapter to ensure a secure fit, but do not overtighten as this may cause damage.
- Attach your aftermarket bolt knob to the top of the adapter, following the manufacturer's instructions for the knob.

3. Usage:

- Always check that the bolt operates smoothly after installation.
- Ensure that the bolt knob is securely attached before using the firearm.
- Familiarize yourself with the operation of the bolt and knob before using the firearm in a live

scenario.

Disposal Instructions

When it comes time to dispose of your BIGHORN TL3/ORIGIN Bolt Knob Adapter, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for the proper disposal of metal products.
- If the product is damaged beyond use, consider recycling it at a local scrap metal facility.
