

# TSR PICATINNY SCOPE RINGS - TPS PRODUCTS 34MM HIGH (1.435 ) ALUMINUM RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Super Holding Power, Precision Alignment

TSR Series Rings, precisely machined from an aluminum billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS 34MM HIGH \(1.435 \) ALUMINUM RINGS](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100036965
- Mfr. No.: 30597
- Finish: Matte Blue
- Height: 1.435"
- Material: Aluminum
- Scope Tube Diameter: 34mm
- Size: High
- Style: Tactical Rings
- Delivery weight: 0.181kg
- Shipping height: 64mm
- Shipping width: 64mm
- Shipping length: 127mm
- UPC: 071611305976

# TSR Picatinny Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSR Picatinny Scope Rings by TPS Products. These highquality aluminum rings are designed to securely hold your scope in place while providing a stable shooting experience. This safety instruction guide is intended to help you understand the proper use and handling of your scope rings, ensuring a safe and enjoyable experience.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the scope rings are compatible with your firearm and scope.
- Inspect the scope rings for any signs of damage or wear before installation.
- Do not exceed the recommended torque specifications when tightening the rings.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope is properly aligned before tightening the screws.
- Use the fourscrew cap to secure the scope without rotating it.
- Check the stability of the scope rings after installation and before each use.
- Avoid using the scope rings in extreme weather conditions unless specified by the manufacturer.
- Do not modify the scope rings in any way, as this may compromise their safety and performance.
- If you notice any unusual movement or loosening of the scope, stop using it immediately and inspect the installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your firearm is unloaded and pointed in a safe direction during installation.

### 2. Installation Steps

- Place the base of the scope rings onto the Picatinny rail of your firearm.
- Align the rings so that they are positioned correctly for your scope.
- Insert the screws into the clampnut and handtighten them to secure the rings in place.
- Using a torque wrench, tighten the screws to the recommended specifications, ensuring even pressure across all screws.
- Carefully place your scope into the rings, ensuring it is aligned correctly.
- Use the fourscrew cap to secure the scope. Tighten the left side first, followed by the right side to avoid rotating the scope.

### 3. PostInstallation Check

- After installation, check that the scope is securely held in place and that there is no movement.
- Perform a visual inspection of the installation to ensure everything is tight and secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the TSR Picatinny Scope Rings, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your TSR Picatinny Scope Rings.
